

# School immunization and exemption rates, 2025-2026

English

Español

Below shows the immunization and exemption rates for your school in the 2025-2026 school year. **The goal is for at least 95% of children to be immunized for community protection and to reduce the chance of spreading vaccine preventable diseases.**

Selected school: Albany Options School, Linn

## Albany Options School Linn County

|                         | Albany Options School | Linn  |
|-------------------------|-----------------------|-------|
| Enrollment *            | 106                   |       |
| Not Required **         | 0                     |       |

| % NME - HepA            | 0.9%                  | 6.0%  |
| % NME - All             | 0.0%                  | 3.7%  |
| % Medical Exemption     | 0.0%                  | 0.1%  |

\* Number of children enrolled in this site as of March

\*\* Additional children not included in enrollment number for whom immunizations are not required to be reported because their records are tracked by another site or attend fewer than 5 days per year

\*\*\* Percent of children with no immunization or exemption record

**The chart shows both the vaccination and nonmedical exemption rates (NME) for each vaccine.** These numbers may not total 100% if some children have medical exemptions, or are incomplete or in process with immunizations but do not need an exemption because they are on schedule.
