

MASA MTS membership provides the ultimate peace of mind at an affordable rate for emergency ground and air transportation service within the U.S. and Canada, regardless of whether the provider is in or out of a given group health care benefits network. After the group health plan pays its portion, MASA MTS works with providers to deliver no cost emergency transport services to you.

Emergent Air Transportation

In the event of a serious medical emergency, you have access to emergency air transportation into a medical facility or between medical facilities.

Emergent Ground Transportation

In the event of a serious medical emergency, you have access to emergency ground transportation into a medical facility or between medical facilities.

Non-Emergency Inter-Facility Transportation

If you are in stable condition in a medical facility but require a heightened level of care that is not available at your current medical facility, you have access to non-emergency air or ground transportation between medical facilities.

Repatriation/Recuperation

Suppose you or a family member is hospitalized more than 100-miles from your home. In that case, you have benefit coverage for air or ground medical transportation into a medical facility closer to your home for recuperation.
