I, of my own free will, volunteer my time and service to participate in a school volunteer coach capacity without promise, expectation or receipt of any form of compensation, benefits or remuneration for service rendered. I understand I may be provided a nominal fee of \$300.

I understand that I am volunteering as a coach and that I may NOT drive the bus for sporting events as this is an essential function on my current role with the school system. I also understand that my participation as a volunteer may be terminated at any time, without cause.
