JUNE IN ACTION: GROWTH, GAINS, AND GRADUATES

The month of June marked the successful close of another incredible year at Rock Hill Workforce Development and Adult Education. Even on the final day of school, our students continued to demonstrate their dedication by completing their GEDs, while others returned to earn their WIN Career Readiness Credentials and Northstar Digital Literacy Certificates.

These accomplishments represent far more than academic milestones. They reflect the resilience, determination, and perseverance our students bring to their educational journeys every day. We are incredibly proud of each student's hard work and success and remain committed to providing the support, resources, and opportunities they need to reach their goals, strengthen their futures, and create lasting opportunities for themselves and their families.
