PLANNING FOR PROGRESS

AROUND THE ROOM ARE POSTERS WITH PROMPTS IN THE FOLLOWING AREAS:

1. **If school closure(s) are necessary, what are your specific ideas or recommendations** in this geographic area?
2. Would you support or be interested in a **new fundamental elementary or middle school** as a choice in this geographic area if it would require the closing or consolidation of a traditional neighborhood school?
3. Would you support or be interested in **a campus that serves both elementary and middle school students** (e.g., K-8 grade configuration) as a choice in this geographic area if it would require the closing or consolidation of a traditional neighborhood school?
4. Would you support, or be interested in, **a campus that serves both middle and high school students** (e.g., grades 6-8 and 9-12 on the same campus) as a choice in this geographic area if it would require the closing or consolidation of a traditional neighborhood school?
5. What **academic or career technical programs** are you most interested in being a choice for students in this geographic area?
6. Would you support, or be interested in, bringing **a school choice option for a technical middle or high school** to this geographic area? Would you support it, or be interested in it, **if it meant converting an existing high school or middle school into a full magnet with no zone**?
7. Would you support or be interested in **new early childhood options (from 6 months to VPK)** in this geographic area? Would you support, or be interested in, **early childhood options (from 6 months to VPK) located on a repurposed campus that serves only early childhood students**?

THE INPUT FROM THE COMMUNITY MEETINGS WILL BE PRESENTED TO THE SCHOOL BOARD AND UTILIZED TO INFORM NEXT STEPS, RECOMMENDATIONS AND/OR GUIDING PRINCIPLES.

PLANNING FOR PROGRESS

AROUND THE ROOM ARE POSTERS WITH PROMPTS IN THE FOLLOWING AREAS:

8. **If school/district buildings are vacated, what ideas do you have for repurposing** them in this geographic area?
9. What do you think are the **essential components for a school to thrive and meet student needs**? Provide specifics regarding academic programming, supports, staffing model, extra-curricular or athletic opportunities, etc.
10. **Given the financial outlook, if a small school is important to you, what specific things would you be willing to give up to keep a small school environment**? E.g., specific staff positions (such as school counselors, library media specialists, assistant principals, family community liaisons, front office staff, etc.), academic programming or course offerings (such as elective courses), extra-curricular activities, athletics, etc.
11. **Given the financial outlook, as resources become limited, what specific things do you believe should be prioritized to keep in place**? E.g., specific staff positions, academic programming or course offerings, extra-curricular activities, athletics, etc.
12. What are the **most important factors for you in choosing a school**?
13. What other **ideas or considerations do you have that the district should consider for this geographic area**?
14. What other **ideas or considerations do you have that the district should consider regarding a specific school** in this geographic region? Be sure to include the school's name.

THE INPUT FROM THE COMMUNITY MEETINGS WILL BE PRESENTED TO THE SCHOOL BOARD AND UTILIZED TO INFORM NEXT STEPS, RECOMMENDATIONS AND/OR GUIDING PRINCIPLES.
