PUBLIC COMMENT

The Public Comment portion of the agenda provides an opportunity for the public to address the Governing Board on items within the Board's jurisdiction and which are not already on the agenda. The Board of Education is prohibited by law from taking action on matters discussed that are not on the Agenda, and no adverse conclusions should be drawn if the Board does not respond to public comment at this time. Concerns will be referred to the Superintendent's office for review and response. Our policy states that during the public comment portion of the Board meeting, speakers should limit their comments to three (3) minutes with a total of fifteen (15) minutes per issue allowed. That policy will be enforced for all speakers. Any person who wishes to speak during this time should rise; state their name, and the subject of their remarks.
