A Musical Tour Through Latin America

Playing the salsa, merengue, son, cha cha and boleros, Havana Son takes students through a musical tour of Latin American countries, including Cuba, the Dominican Republic, Mexico, Colombia, Panama and Puerto Rico. Students join in by clapping, singing, dancing and even playing along as Havana Son moves through the musical traditions of each country. The duo adds context to its musical performance by helping students identify each country on a map, teaching about its size and population and sharing new vocabulary words.
