TECHNOLOGY:

6th Grade Students will have access to school-provided Chromebooks during the school day. Technology may occasionally be required for homework assignments; however, students do not need a personal device. Any device that allows access to their FACTS and Google accounts is sufficient for completing assignments at home.

7th-12th Grade students are required to have a laptop or Chromebook. Chromebooks are the preferred device.

Earbuds/Headphones:

All students should have a readily accessible set of earbuds or headphones. These will be used only at the discretion of the teacher for specific classroom activities.

Middle and High School students may be required to have a calculator based on courses they are taking. Please verify with your child's teacher if/which calculator is needed before purchasing.
