Mendon Center Elementary
Fourth Grade Supply List

Welcome to fourth grade! There is plenty of summer left to enjoy, but we just want to be sure that your child is prepared for the school year ahead. Below is a list of supplies that your child will need for class. We will explain what each item is for when your child arrives on the first day of school. Please adhere to the sizes requested, so items will fit in his/her desk and small plastic supply box. Thank you! ☺
