A Message from this week's Editor: Mr Brunson

We have enjoyed celebrating our learning this week through our Express Events. Thank you to those of you who were able to come and see what the children have been up to and to share in the learning that has been going on across different year groups.

Reception Class did an amazing job this morning in their class assembly. They spoke with confidence about what they have learnt and it was great to hear their wonderful singing!

Finally, congratulations to Year 6 for a brilliant production of Toy Story! You all did a super job and it was a great show.

Next week is the last week before the summer break. I hope you will be able to join us for our Leavers' Service on Thursday at 2:15pm.

Collective Worship

We continued focusing on change this week. We looked at how Moses had waited a long time for his adventure to begin, in order to lead the Israelites out of Egypt, as had had ran away after committing a crime. When the Isralites started their trek, they had to get used to a new way of living and routines. We compared this to our own journey as we enter a new academic year and getting used to new routines. New classes and changes will have difficult times and some amazing times. all these experiences will make adventure even more exciting.

WHAT HAVE WE BEEN UP TO THIS WEEK?

Reception - Class Assembly

Reception loved sharing their year of learning with the school and their adults. They showed off their counting, phonics and sang all about kindness! What an amazing year we have had!

Year 3 - Express Event

Year 3 drew drew in the style of the artist L S Lowry. They enjoyed drawing matchstick people to add to our landscape pictures.

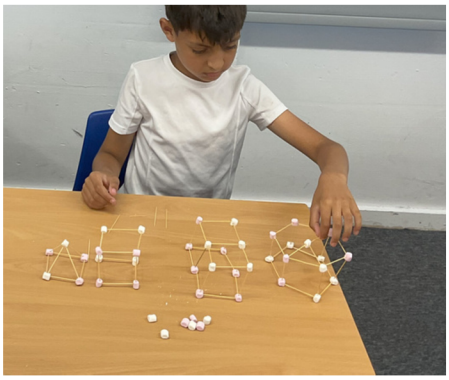

WHAT HAVE WE BEEN UP TO THIS WEEK?

Year 4 - Express Event

Year 4 thoroughly enjoyed making Egyptian Cartouches during their express event. They wrote their name in hieroglyphics and were very creative. They have enjoyed doing practical maths this week. Using pencils, they made different angles and 2D shapes and using marshmallows, they made a variety of 3D shapes. They even managed not to eat the marshmallows!

Year 5 - Express Event

Children and their parents got involved in recreating some continuous line artwork inspired by Pablo Picasso. Some even went on to draw their own wonderful creations. Everyone had a lovely time and the children were particularly surprised to see their parent's artistic side!

WHAT HAVE WE BEEN UP TO THIS WEEK?

Year 6

This week, Year 6 performed their End of Year School Production to the entire school body and received excellent feedback from their peers and teachers. 'Toy Story' is a popular choice amongst the children and special to our particular Year 6 class. Weeks of hard work have ensured that the production was a huge success, with all children performing their lines, roles and duties with extreme confidence and delivering their songs with forceful gusto. A great effort by all children involved!
