St. Clair Elementary Family,

It is with great excitement and anticipation that we welcome you to the 2026-2027 school year! We are thrilled to welcome both our returning families and those who are joining us for the first time. This year, we are especially excited to continue our PBIS Tier 1 (Positive Behavior Intervention and Supports) System and to put an intentional focus on increasing student achievement within our Tier 2 Process, which will offer even stronger support for our students. Strong partnerships between home and school are key to our Little Bulldog's success. We encourage you to stay involved, communicate openly, and participate in the many events and opportunities we will offer throughout the year. Together, we can ensure every child reaches their full potential.

Please take note of the important information listed below:
