

Notification of Intent to Homeschool

General Information

- The parent or legal guardian who oversees a homeschool program is responsible for **selecting books, supplies, tests, and curriculum**, as well as **covering all associated costs**. *A student completing a homeschool program is different than a student enrolled in an online school or a public school that allows a student to complete their education at home.*
- A **Notification of Intent** to provide a homeschool (home-based) education program is required **each school year** and must be submitted a minimum of 14 days prior to beginning a homeschool program.
- Each child participating in a homeschooling shall be evaluated when in grades three, five, seven, nine, and eleven and the results shall be submitted to the district.

- Mapleton Public Schools should be notified immediately if the homeschool program will be discontinued.
- Additional information about homeschooling is provided in **Mapleton Public Schools District Policy IHBG – Home Schooling** and on the Colorado Department of Education website at ed.cde.state.co.us/choice/homeschool.
- In compliance with the Colorado Revised Statute (22-33104.5), records of each child participating in a Home-Based Educational Program will be maintained on a permanent basis by the parent or guardian supervising the program.

I have read **Mapleton Public Schools District Policy IHBG – Home Schooling** and understand my responsibilities. I want the above listed student designated as homeschooled.
