

Our Mission

School Health Link is devoted to keeping infants, children, and adolescents in Rock Island County healthy and happy. By providing year-round, low cost, and comprehensive care we are working to break down the barriers families face in our community. School Health Link can provide a medical home to those who need it.

We offer
specialized holistic
healthcare for
children of all ages.

What We Can Offer Your Child

Specific Services:

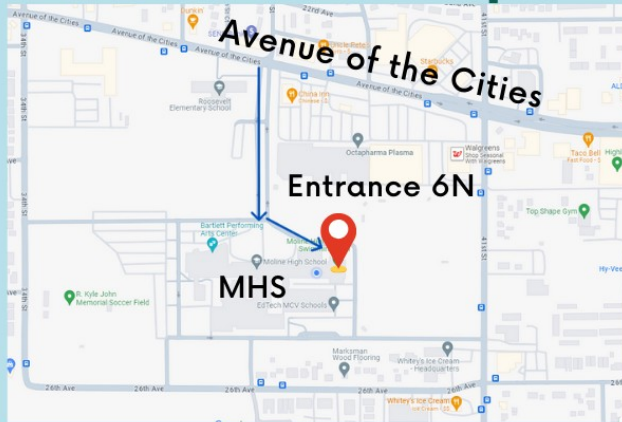

- Same-day sick visits
- Specialist referrals
- Well child visits
- Immunizations
- School physicals
- Sports physicals
- Chronic condition management
- Mental health management
- ADHD treatment
- Counseling
- Nutrition and health education
- Drug, alcohol, and tobacco awareness and education
- STD testing, treatment, and education
- Pregnancy tests
- Birth control options and education

How We Work

School Health Link is uniquely affiliated with local Rock Island County School districts, which allows for prompt and thorough follow-up for patients seen in our clinic. We accept most forms of private insurance, all plans associated with IL Public Aid medical card, as well as offer a sliding scale for families without insurance. No child is turned away for an inability to pay.
