This Schedule of Benefits shows your specific cost-sharing, as well as any additional benefits, limitations or exclusions not shown in your Certificate. It also provides a very general summary of your benefits for certain types of services; **you will need to read it in conjunction with your Certificate for details about your coverage.** Benefits are calculated according to the benefit year shown above. **NOTE: All services must be received from in-network providers, except as otherwise described in the Certificate.**

Your responsibilities	
Deductible This plan is intended to qualify as a high deductible health plan that may be paired with a health savings account; however, you should check with your tax advisor for guidance on your particular situation.	\$7,500 per individual \$15,000 per family The family deductible can be met by any combination of members within a family. If one family member meets the individual deductible, the deductible is satisfied for his or her claims. The maximum deductible is equal to the family deductible.
Annual out-of-pocket (Deductible)	\$7,500 per individual \$15,000 per family The family annual out of pocket can be met by any combination of members within a family. The maximum annual out of pocket is equal to the family annual out of pocket.
Dependent wrap coverage In addition to the benefits described in the Certificate, dependents living outside of the service area are provided benefits for covered services from out-of-network providers.
