

# UHS SENIOR SPECIALTY PARKING

Class of 2027 Seniors

SGA invites you to create a Senior Parking Space just for “U!”

You secure your spot by:

- Paying the associated fees (\$50 school parking permit AND \$25 senior specialty parking). These will be paid through the online “purchase and pay” starting in mid-July.
- Turning in this form that has your signature on the rules page and your proposed illustration. Turn it in to Mr. Haught by May 27. This can also be done in the weeks before the next school year, but your application will be prioritized AFTER those who turned it in by May 27.
- Complete the school parking permit application with car registration, car insurance, and drivers license information. This will be done in the weeks before the next school year. **If you don’t have your license yet, you cannot get a parking permit, even if you plan to get your license (take your driving test) soon after school starts.** You must have your license (not driving permit) at the time you complete your parking application.

Exact dates for when the above tasks can be completed won’t be known until the school administration completes their back to school scheduling in July. We understand that you may not be able to come to the school to complete all of the above on the dates established. **However, we cannot hold a spot for you. Paying the fees does NOT secure your spot.**

**You may not paint until your design is approved and you receive your parking decal!**

**Congratulations SENIORS!**

### **UHS-Specific Rules/Guideline**

- Your design must follow the Volusia County School District Code of Conduct. All designs are subject to final approval by the administration. No profanity, no inappropriate language, no demeaning messages, no gang symbols. Be prepared to explain before your design is approved any symbols, images, acronyms, or words written in languages other than English.
- Students are responsible for supplying their own paint and supplies. Use ACRYLIC or LATEX FLAT paint only. NO OIL PAINT.
- You must clean up after yourself; take away all the things you brought with you. DO NOT dump paint down the parking lot storm drains or in the school's bathroom sinks. Bring a water bucket for rinsing brushes.
- You must use stencils to paint the parking spot number on your spot so it can be easily read. The area for this is marked on the form you are sketching your proposed illustration on.
- Keep in mind that you are in an active parking lot. We do our best to keep people from driving over your freshly painted spot (such as blocking off the lot with traffic cones after you leave for the day) but there are other activities happening and people are unaware that your paint is not completely dried and so might leave tire marks. This is typically not an intentional act. You are welcome to leave your own traffic cone or tent or something (at your own risk) in your spot to keep drivers out.

### **Parking lot painting materials and advice Part 1 (from those who've done it before)**

- Tape the edges of your spot with a 2-inch margin before painting.
- Do not paint on the white lines or parking lot curbs.
- Sweep the dirt and pebbles off the spot.
- Use chalk to draw out your sketch.
- Start painting at the front of your spot out to the end (front bumper to back bumper). There are others working beside you and this can keep you from stepping on fresh painting in each other's spots.
- Consider make a stencil ahead of time for lettering or detailed images to save a lot of time.
- Bring extra plastic containers (no glass) for water and brushes.
- Bring a drop cloth or plastic sheeting to put under paint cans.
- Limit your paint palette or share colors with a friend as the quarts of paint are expensive .
- Your family may already have leftover exterior house paint at home that you can use. Open paint cans at home and check to see if it is still usable.

### **Parking lot painting materials and advice Part 2 (from those who've done it before)**

- Latex paint- Exterior- Water Based (Home Depot, Sherwin-Williams, Lowe's)
- \*No oil based paints \*No reflective paints \*No spray paint
- Brushes, rollers or sponge to apply paint (nothing else permitted)
- Painters tape to keep you from painting on the white line separating spots.
- Stool or towel to sit on
- Chalk to sketch design
- Broom to sweep spot
- Plastic drop cloth to put under paint cans
- Plastic containers for water, paint and brushes
- Sunscreen, hats, sunglasses, water, snacks

### **Parking lot painting materials and advice Part 3 (from those who've done it before)**

- Painter's Tape (for marking off sections to have clean lines)
- Paint Rollers (to paint the background)
- Paint Trays (to hold paint)
- Paint (get exterior house paint at Lowe's--you need 1-2 gallons for your background and a quart/pint of each color of your design)
- Paint Roller Extensions (having 6ft extension poles makes painting so much easier)
- Chalk (to draw out your design before painting)
- String (if you're drawing a circle you can tie string to your chalk and use it to draw a circle so it's perfectly even)

### **Parking lot painting materials and advice Part 4 (from those who've done it before)**

- You need about 1 gallon for your background and a pint of each color for your design. The Lowe's guy talked me into buying about 4 gallons of paint, so now I have so much leftover paint and nothing to do with it. Paint is expensive, so don't buy more than you need! You can always go buy more but you can't return extra.

### **Parking lot painting materials and advice Part 5 (from those who've done it before)**

- Roller on a pole, paint pan for the roller, tape, brushes all sizes, battery operated fans, tent for shade and tons of water.
- Any shapes traced and cut out of cardboard (homemade stencil) make things easier.
- towel or skateboard to sit on, pavement is hot.

# UHS SENIOR SPECIALITY PARKING SPACE APPLICATION/AGREEMENT

TURN IN TO MR. HAUGHT (1C-309)

I, \_\_\_\_\_, agree to abide by University High School policies as well as the rules and regulations stated below.

I understand that both the parking pass and parking space are a privilege and may be revoked at any time by the University High School Administration. Both the parking pass and parking space are non-transferable. **To qualify for a senior specialty parking spot, you must have during the previous school year:** at least a 2.0 GPA, no major discipline infractions, and no more than 10% unexcused absences. And you must maintain those standards throughout the current school year to keep your parking spot.

## RULES/GUIDANCE:

- Painting is confined to only one space.
- Students are responsible for supplying their own paint and supplies.
- Use ACRYLIC or LATEX FLAT paint only. NO OIL PAINT.
- You must clean up after yourself; take away all the things you bring. DO NOT dump paint down the parking lot storm drains or in the school's bathroom sinks. Bring a water bucket for rinsing brushes.
- Keep in mind that you are in an active parking lot. We do our best to keep people from driving over your freshly painted spot (such as blocking off the lot with traffic cones after you leave for the day) but there are other activities happening and people are unaware that your paint is not completely dried and so might leave tire marks. This is typically not an intentional act. You are welcome to leave your own traffic cone or tent or something (at your own risk) in your spot to keep drivers out.
- You must use stencils to paint the parking spot number on your spot so it can be easily read. The area for this is marked on the form you are sketching your proposed illustration on.
- Design is to be drawn on the back of this Application/Agreement and MUST follow the Volusia County School District Code of Conduct. All designs are subject to final approval by the administration.
- No profanity, no inappropriate language, no demeaning messages, no gang symbols.
- Be prepared to explain before your design is approved any symbols, images, acronyms, or words written in languages other than English.

*I understand that if I lose my University High School driving privileges, both pass and space are revoked for a designated time and/or permanently. If revoked, the cost of the space/pass will not be refunded.*
