► PROTECTS YOUR EYES.

You can help protect your eyesight by visiting an eye doctor regularly. Vision insurance includes an annual comprehensive eye exam with an eye care doctor. Taking care of your eyes today can lead to a better quality of life later.

► PREVENTS OTHER HEALTH ISSUES.

Just annual preventive care alone can help detect signs of chronic health conditions such as high blood pressure and diabetes. Early detection can be key before costly symptoms arise.¹

► LOWERS OUT-OF-POCKET EXPENSES.

Seeing an in-network eye care provider can reduce your expenses with savings on frames, lenses, contacts, eye exams and more.

Frequently asked questions

How do I use my vision benefit?

Once enrolled, simply tell your VSP doctor you're a member and they will handle the rest. If you visit an in-network doctor for services and materials, you don't need an ID card or have forms to complete.

How do I locate an in-network VSP doctor?

You will have access to the largest national network⁴ of private-practice eye care doctors in the industry through Vision Service Plan (VSP). There are two ways to find an in-network doctor:

1. Visit vsp.com and select the Choice network.
2. Call VSP at 800-877-7195.

What happens if I use an out-of-network doctor?

You will be required to pay the full amount to the doctor at time of service. You can then submit a claim for reimbursement, which is a lesser benefit when compared to visiting a VSP doctor.

When will my coverage become effective?

Your coverage starts on the effective date specified in your group policy, provided you are actively at work on that date. Otherwise, your coverage will become effective on the day you return to full-time duties.

Can I enroll as a late entrant?

If you elect coverage more than 31 days after your

eligibility date, your effective date will be delayed to the next plan anniversary date.

Are my dependents eligible for coverage?

Yes. Your plan offers coverage for your spouse⁵ and dependent children. An eligible child is defined as a child to age 26.⁶

How can I get more information about my coverage?

After the effective date of your coverage, you can visit www.sunlife.com/account to create a Sun Life account. Once you're logged in, you'll be able to see your plan details and more. Or you can call VSP Customer Service at 800-877-7195.

Can I use my benefits to buy glasses or contacts online?

Absolutely. Just visit www.eyeconic.com. Once you have linked your benefits you will be able to see how your coverage will be applied to different options that you are reviewing. Eyeconic features a virtual try-on tool so you can see how the glasses will look on you before you make your purchase.
