1 USB-C Headset with Microphone OR Headset w/ Microphone with audio jack adapter for USB-C

NOTES

For the 2026-2027 school year, 5th grade students will use a 10th/11th Generation iPad. The only port on these iPads is a USB-C port. 5TH grade students will need a headset WITH a microphone.

Based on experience, D103 recommends one of the following headphone options:

1. ANKER or UGREEN USB-C to 3.5mm adapter - This is an option IF your student has a current set of headphones (with microphones) with a traditional connector (3.5mm).

OR

2. AVID AP-400 WonderEars Classroom Headphone with Microphone USB-C.

The options can be add-on purchase.

*****Cordless Bluetooth headphones are not recommended due to the need to keep them charged and because they are considered a security risk and potential disruption during state and local assessments.*****
