NOTES

For the 2026-2027 school year, 3rd grade students will use a 10th/11th Generation iPad. The only port on these iPads is a USB-C port. 3rd graders will need a headset that has both a USB-C connector AND a microphone.

D103 strongly recommends the following headphone:

AVID AP-400 WonderEars Classroom Headphone with Microphone USB-C.
Families can do add-on purchase.

*****Cordless Bluetooth headphones are not recommended due to the need to keep them charged and because they are considered a security risk and potential disruption during state and local assessments.*****
