NOTES

For the 2026-2027 school year, 7th-grade students will use a 10th/11th Generation iPad. The only port on these iPads is a USB-C port.

D103 recommends one of the following headphone options (available as add-on purchase):

1. ANKER or UGREEN USB-C to 3.5mm adapter - This is an option IF your student has a current set of headphones with a traditional connector (3.5mm).
- OR
2. AVID AP-400 WonderEars Classroom Headphone with Microphone USB-C.

*****Cordless Bluetooth headphones are not recommended due to the need to keep them charged and because they are considered a security risk and potential disruption during state and local assessments.*****

NOTES

Students who are taking Algebra I/II or Geometry will need **TI 84+** OR **TI 84+ CE** Graphing Calculator (either one is fine).

Students NOT in Algebra I/II or Geometry will be informed later.
