

BECS Immunization Information

2026–2027 Middle School

ATTENTION PARENTS/GUARDIANS: All students are required to be in compliance with Colorado immunization laws in order to attend school or daycare. Bromley East Charter School must comply with current laws for the 2026/2027 school year. No exceptions will be made for non-compliance. Students will not be allowed to attend school if we do not have an up-to-date immunization record or a current signed medical or personal exemption.

To opt out of any state-required vaccines, you will need to either have the exemption signed by a medical care provider OR complete an online module, print the certificate, and submit it with your signed exemption.

Here is a link to the state website page that outlines the new law and process.

<https://cdphe.colorado.gov/vaccine-exemptions> The link to the online module is at the bottom of the page..

TOTAL DOSES REQUIRED:

- **5 Dtap's:** 4 doses is ok IF the 4th dose was given on or after the child's 4th birthday.
- **1 Tdap:** is required for entrance into the 7th grade, or after the child's 10th birthday. Tdaps given prior to the child's 10th birthday are considered invalid and will require an additional dose. ***
- **4 Polio:** 3 doses is ok IF the 4th dose was given on or after the child's 4th birthday.
- **2 MMR:** 1st dose must be given at age 12 months or older.
- **2 Varicella:** or documented history of the disease (chicken pox); 1st dose must be given at 1 year of age or older.

- **3 Hep B:** child must be a minimum of 6 mos. at 3rd dose.

*All vaccines have spacing as well as age requirements, the doses must be properly spaced and given at the required age or the dose is considered INVALID and another dose will be required to be compliant with Colorado State laws.

If you have any questions or concerns, please feel free to call the Health Office at or your child's medical provider.
