4.6 Superintendent Report

- The stage was delivered to Alview yesterday. After inspection, the vendor took it back to add a middle rail for student safety. It will be delivered back to the Alview campus once the revisions are made.
- Summer Program attendance has been low—most days are under 20 even though 38 registered. The STEMventure program has been very well-attended; they've been at capacity each week. We sent a Dojo message out today to invite/accept any new registrants.
- Band uniforms have been ordered and the band director is working on an instrument order to expend the funds from the Art/Music Instructional Block Grant.
- We met with the Cook Center yesterday to discuss implementation for the staff and parent supports. We were impressed with the communication that will be available to initiate the program. To start, Cook Center representatives will present details at teacher meetings in August.
- Summer project updates:
 - Carpet/Flooring—office and 3 classrooms are complete

- Caretaker's house—foundation has been poured; waiting for cement to cure.
- Alview fence—new cement and posts are required to complete the project.
