Accessible transcription of California Department of Education letter dated January 24, 2019.

January 24, 2019

Dear County and District Superintendents, Charter School Administrators, and Middle and High School Principals:

I am pleased to announce the 2019 California Distinguished Schools Program. This is one of the many ways that the California Department of Education (CDE) and I celebrate outstanding educational programs and practices through our California School Recognition Program, which honors exemplary students, teachers, classified employees, and schools for advancing excellence in education.

Sponsored by California Casualty, the 2019 California Distinguished Schools Program recognizes California middle and high schools that have made exceptional gains in implementing the academic content and performance standards adopted by the State Board of Education for all students.
