Lynch Hill School Primary Academy Newsletter

Issue: 36 (25-26) *Aim High, Work Hard, Care Deeply* **10th July 2026**

A message from Mrs Tomlinson…

This week has been another scorcher, and once again we have had to carefully adapt our daily routines to ensure that pupils across all areas of the school have access to our air-conditioned spaces. The Department for Education guidance is clear that schools should remain open during periods of hot weather, while taking all reasonable steps to keep children safe and comfortable. While the extreme temperatures have certainly presented challenges, staff have worked incredibly hard to make sure that learning has continued with minimal disruption, and I would like to thank them for their flexibility and commitment.

The forecast suggests that temperatures will remain warm next week, although perhaps not quite as extreme. Please continue to support us by ensuring that your child comes to school with a named water bottle, a hat and sun cream already applied before arriving at school.

You should have received your child's end-of-year report this afternoon. These reports recognise the progress and achievements made throughout the academic year and identify key targets to support future learning. We hope that you find them informative and that they provide a valuable opportunity to reflect on what your child has accomplished this year.

It has also been a particularly busy and exciting week with the return of our annual Lynch Hill Games. As always, the competition has been fierce, but the Games are about so much more than winning. They are designed to promote our school values along with the Olympic and Paralympic values of determination, respect, excellence, friendship, courage, inspiration and equality, and it has been wonderful to see so many pupils demonstrating these values throughout the week.

Although some activities were adapted to suit the hot weather, the Games were once again a tremendous success. One of the highlights has been the opportunity for our older pupils to take on roles as sports leaders and officials for the younger year groups. They gave their time, energy and encouragement so generously, and Mrs Jolly has spoken of how exceptionally proud she is of the way they stepped into leadership roles with confidence, kindness and maturity. Not only did they help to organise and run events smoothly, but they also inspired younger pupils, encouraged them to persevere and celebrated every success, no matter how big or small. They truly embodied everything we hope all of our pupils will become, and they should be enormously proud of themselves.

The Lynch Hill Games have now concluded for 2026, and I am delighted to announce this year's winning classes. Congratulations to all of our champions and a huge thank you to the PE team for organising another fantastic sporting event for our school community.

Year group	Lynch Hill Games Cup Winners 2026
Year 1	1S
Year 2	2N
Year 3	3E
Year 4	4A
Year 5	5P
Year 6	6P

Thank you to all parents and carers who attended transition meetings this week. There was good attendance at the sessions for transition from EYFS to KS1 and for the move to KS2 and, hopefully, those who came found that this was a good opportunity to familiarise themselves with the teachers who will be teaching their children in September and with the expectations of Year 1 and Year 3. We also had lots of parents and carers spending time with the Reception staff after school on Tuesday, Wednesday and Thursday in preparation for their child's Reception journey. It is important to build strong relationships from the outset.

Next week promises to be a memorable one for our Year 6 pupils. On Wednesday morning, we look forward to welcoming parents and carers to our Key Stage 2 Graduation Ceremony. Behind the scenes, staff will be working hard to transform the hall, with the red carpet rolled out and the stage prepared for a celebration of the achievements, growth and successes of every child. Some wonderful singing and instrumentals will form part of the ceremony, and I can assure you there is much to look forward to.

The celebrations will continue on Thursday evening with the Year 6 Leavers' Party, providing another opportunity for pupils to come together and create special memories before they begin the next stage of their educational journey.

Finally, a reminder that school will finish at **1:30pm next Friday**. Pupils should attend in full school uniform as usual, as we reserve the non-uniform privilege as a

Issue: 36 (25-26) *Aim High, Work Hard, Care Deeply* **10th July 2026**

special treat for Year 6 on their final day of primary school.

Have a wonderful weekend and thank you, as always, for your continued support. We look forward to seeing everyone next week for what will hopefully be a special end to the school year.

Lindsey Tomlinson

Prepare for transition success!

This term we have a series on how to prepare your child for transition success between now and September. This week's focus is on Year 6 who are moving to Year 7, secondary school!

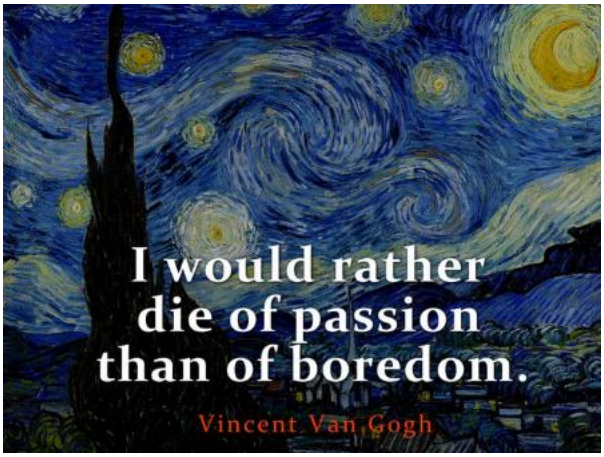

Independence takes a big jump in secondary school, but Year 6 are ready! The summer holidays are a great time to practice skills which will make their transition much easier.

- If your child has a smartphone, teach them to use it as a tool.
  - Do they know how to enter their emergency information and access it on someone else's phone?
  - Do they know how to use walking maps on Google maps?
  - Do they know how to use What3Words in an emergency?
  - Can they use their calendar to plan ahead?
  - Do they know their phone number and yours off by heart?
- Typing skills, can your child touch type? Try www.typing.com
- Practise the route they are going to walk, bike or bus to school
- Can they cook a simple meal?

We recognise that children develop at different stages, please remember that all personal progress makes a difference.

PRESENT Value of the Week: PASSION

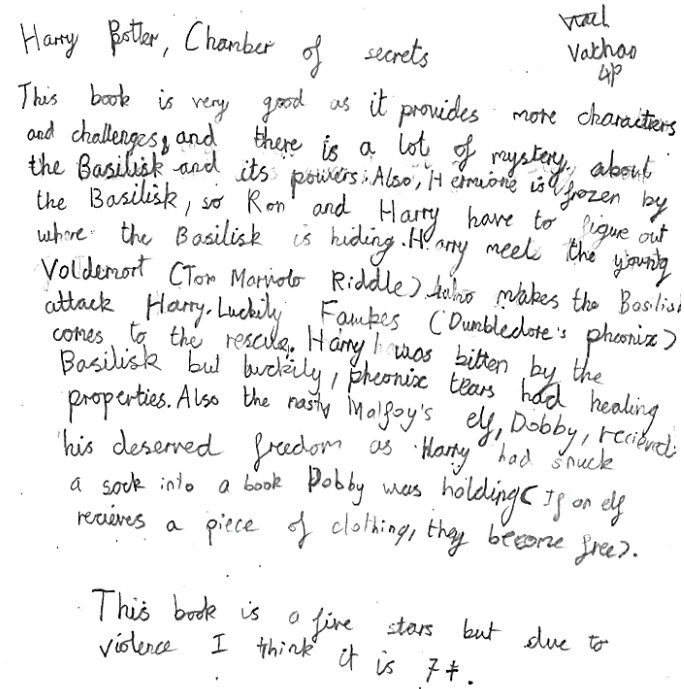

Free School Meals Update

An email was sent out regarding changes to Free School Meals and who is eligible for this benefit. Please ensure you read this email thoroughly and reapply if you are currently in receipt of FSM or think you are eligible. This can be done by applying on the SBC website Free school meals application | Instructions – Slough Borough Council or by emailing p.kelly@lhspa.org.uk with the details mentioned on the email.

The Cozy Reading Corner

At our school, we want to encourage reading across the whole of the school community – and that includes our parents and carers! This term we will continue with our book reviews from/for our children. This week we have a review from ***Vachan in Year 4.***

Harry Potter, Chamber of secrets

read Vachan Up

This book is very good as it provides more characters and challenges, and there is a lot of mystery about the Basilisk and its powers. Also, Hermione is frozen by the Basilisk, so Ron and Harry have to figure out where the Basilisk is hiding. Harry meets the young Voldemort (Tom Marvolo Riddle) who makes the Basilisk attack Harry. Luckily Fawkes (Dumbledore's phoenix) comes to the rescue. Harry was bitten by the Basilisk but luckily, phoenix tears had healing properties. Also the nasty Malfoy's elf, Dobby, received his deserved freedom as Harry had snuck a sock into a book Dobby was holding (If an elf receives a piece of clothing, they become free).

This book is a five stars but due to violence I think it is 7+.

Issue: 36 (25-26) *Aim High, Work Hard, Care Deeply* **10th July 2026**

We are a Nut, Seed and Pineapple Free School

Please make sure that you do not give your children nutty bars, seeded bread, Nutella, Kinder Bueno or any other item containing nuts in their lunch box. We have a number of children and staff with life threatening allergies to nuts, seeds and pineapple, and even touching the hand of a child who has come in to contact with nuts, seeds or pineapple could be fatal.
No nuts, no pineapple + no seeds = no problem.

Please note that all Friday meal debts will not be on Schoolmoney until Monday afternoon.

Childcare Vouchers

Please be aware that our school can only accept childcare vouchers for Funzone, Breakfast club, after school clubs and the Nursery midday provision. We cannot take vouchers for trips, instrumental lessons, or meals/lunch cards. Thank you for help in this matter.

Summer Term:

Learning Presentations

Year 4 – Monday 13th July at 2:30pm
Year 6 – Wednesday 15th July AM (Graduation)
