

Dear Parents/ Guardian,

Welcome to my class! I would like to take the opportunity to introduce myself. My name is Colleen Crean and I am thrilled to be your child's 5th grade teacher.

Fifth grade is full of exciting adventures and many learning opportunities that are sure to make a meaningful and eventful school year. We will become scientists and mathematicians by solving real world problems. Students will mature as readers and writers. Students will gain more independence and responsibilities that will help them succeed during the school year.

I am looking forward to working with you and your child in reaching his or her full potential. If you have any questions or concerns please do not hesitate to contact me at ccrean@mccsd.net or call 631-285-8700.

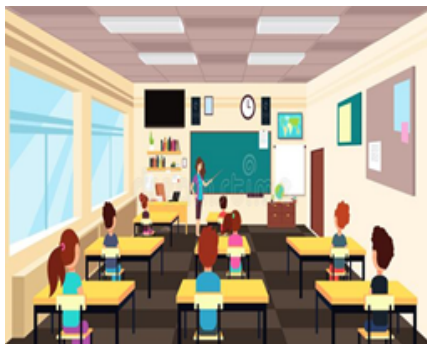

I am excited for this opportunity to work with your child. With your cooperation and support I know that we can make this the best year yet.

Sincerely,

Colleen Crean

Room 210
