22nd June
Week 1

LHEA Parent Newsletter

Welcome to this week's newsletter,

Mobile phone use is in the headlines again with the proposed ban on social media for under 16s. We will be in a position to confirm our approach to mobile phones being in school before the end of term.

In the hot weather now forecast, we are making water more readily available to students and would ask that they bring in a refillable water bottle with them to ensure they stay hydrated throughout the day.

Students will also be permitted to attend school without their blazers from next week. All other aspects of the school uniform should continue to be worn as normal.

Chris Thomas
Headteacher

Key information & Events

- Friday 26th June – Y11 Prom
- Thursday 2nd July – Chris Bradford Author visit
- Monday 6th July – Y7 Sports Day
- Tuesday 7th July- Y6 Induction Day

Culture Curriculum at Lynch Hill Enterprise Academy

This week our culture curriculum has focused on calm purposeful lesson entries to enable lessons to start promptly as every minute of your child's learning counts. Students have had lessons on how the enter lessons and have practiced this every day.

Next week we will focus on calm and purposeful lesson ends and exits. If lessons finish well, then learning is reinforced and students are ready to move quickly and promptly to their next lesson, meaning lessons start on time. When ending and exiting lessons student are expected to:

- Check their timetable in their planner
- Stand behind their chair and have packed all their equipment away and tided any mess/rubbish
- Be ready to answer questions about the lesson
- Leave the lesson quietly and calmly when dismissed
- Walk on the left-hand side directly to my next lesson
- Greet every member of the school that they walk past with 'Good morning/afternoon, how are you?'

As families we would like you to reinforce this expectation with students at home and remind them of the importance of each element of our culture curriculum.

Year 10 Mock Examinations Continue

Year 10 students have made a positive start to their mock examination period, and we would like to commend them for their effort, preparation and mature approach so far.

The mock examinations will continue next week and run until Tuesday 30th June. These assessments provide an important opportunity for students to experience formal examination conditions, identify areas for improvement and prepare for their GCSE courses moving forward.

As we enter the final stage of the mock examination period, we encourage all Year 10 students to remain focused, organised and committed to their revision. Maintaining good routines, getting plenty of rest and arriving at school fully prepared will help students perform to the best of their ability.

We wish all Year 10 students every success in their remaining examinations and look forward to celebrating their hard work and achievements.

Duke of Edinburgh's Award – Bronze Expedition Success

Last weekend, we successfully delivered our Bronze Duke of Edinburgh's Award Expedition. We are delighted to report that all 11 students who took part successfully passed the expedition, demonstrating excellent resilience, teamwork and determination throughout the weekend.

A huge thank you goes to Ms Francis, who volunteered to co-lead the expedition and generously gave up valuable family time to support our students. Her commitment and enthusiasm were greatly appreciated and played an important role in the success of the expedition.

We now look ahead to our next challenge: the Silver Qualifying Expedition, which will take place on 2nd, 3rd and 4th July. We wish all participating students the very best as they prepare for this exciting opportunity.
