| Tabulation - RFP Produce # 2026-06-04 | | | | |
| Date: | Vendor 1 | Vendor 2 | Vendor 3 | |
| | Royal Food Service | | | Basis for Score |
| **Lowest Overall Purchase Price** | Provide pricing for 50 items our of 54 | | | **Lowest Overall Purchase Price** - This is not a bottom-line contract. The index price plus mark-up is the price that will be paid by Fayette County School Nutrition Program. If a proposer feels he can consistently buy an item or items below the average index price, it may be to his advantage to bid a negative mark-up cost. |
| Up to 40 points | 35 | | | |
| **Ordering Capability** | Vendor uses Online Ordering System | | | **Ordering Capability** - Orders will be submitted electronically via a website. Vendors must have the ability to service "Emergency Orders" when needed. |
| Up to 10 Points | 10 | | | |
| **Quality of Produce** | Vendor provided all samples | | | **Quality of Produce** - Please provide samples of the following items to be used for quality evaluation: grape tomatoes, honeydew, cantaloupe, red, green and black grapes. watermelon, carrot sticks, celery sticks, cucumbers, strawberries, iceberg salad mix and romaine salad mix at no additional cost to the Fayette County School Nutrition Program. Samples should be delivered with the RFP. |
| Up to 10 Points | 8 | | | |
| **Local Purchasing / Buy American** | Vendor sends out publication of locally grown produce several time a year | | | **Local Purchasing / Buy American** - Preference will be given to the vendor who will agree to search out and offer locally grown and produced fruits and vegetables, for use by the Fayette County School Nutrition Program. "Locally grown" means items grown/produced in Georgia and states that touch Georgia. A list by month of available items from local farms along with the farm's name and biography must be included with this proposal and available throughout the year by request. Points will also be provided to the vendor who has an SNP accessible electronic system to identify or "flag" Buy American compliant products when placing food orders. |
| Up to 10 Points | 10 | | | |
| **Department of Defense (DOD) Supplier** | Vendor is a DOD Supplier (USES FFAVORS Online System) | | | **Department of Defense (DOD) Supplier** - Points will be provided for the company who is a DOD supplier of fresh produce. The vendor must be registered with the C.C.R. Evidence of this should be provided with the proposal. |
| Up to 10 Points | 10 | | | |
