

2026 – 2027 Holy Cross Parking Rules

Students who park at school must have an Academy of the Holy Cross parking tag. There is no exception to this rule. All students parking on campus must adhere to the following rules:

Your car has been given a designated space, marked with a number. Park ONLY in your designated space. You may not give others permission to park in your space.

- ***Under reasonable suspicion, AHC reserves the right to search any vehicle parked on its campus.***
- Do not park in handicap spaces, numbered spaces along the building, visitor spaces, faculty (upper) parking lot, front circle, or areas behind the Theatre and Moreau Hall.
- Do not park by, remove, move, or block parking cones. Do not park by red-painted curbs (fire hydrants) or yellow-painted curbs.
- Parking along the curve coming around the gym building is prohibited so that vehicles can negotiate that curve safely.
- Obey the campus 10-miles-per-hour speed limit. Obey the stop signs on campus.
- Follow the directions of school personnel or their agents when they are directing traffic during drop-off, pick-up, and school-sponsored events.
- No student is allowed to go to her car (or a carpool car) during school hours unless she has obtained permission from Student Services or one of the Deans.
- Obey the directions of the stop light during the opening and dismissal of school.
- When exiting campus, be mindful of the pedestrian crosswalks on Strathmore Avenue. Stopping for pedestrians who are waiting to cross the street is a state-mandated law.
- AHC parking tag must be clearly displayed hanging on the rear-view mirror.
- No selling of parking tags is allowed. Transfer of tags is allowed for carpool member cars only (with prior registration and approval by Student Services).
- Lock your doors - students, not the school, are responsible for the contents of their cars.
- If a parking tag has been issued but is not displayed in the car for some reason, please contact Ms. Ouellette in Student Services upon arrival at school.
- If special parking is needed for one or more days, the cost is \$5 per day, and a temporary parking tag must be obtained from Ms. Ouellette in Student Services.

If any of the above rules are violated, the following consequences will be imposed:
