As the parent/guardian of a student in this fundamental program, I understand:

- Sign the commitments and forms as specified in the District Application Program Procedures Manual.

- Review and sign all homework assignments, unless addressed in an IEP/504 Plan. High school homework signature guidelines may vary.
- Understand that reassignment of a student to a district discipline program or expulsion will result in immediate removal from the school; no readmission will be considered at the same level.
- Parents provide transportation to and from school and furnish transportation for any after school activities, including detention, unless activity bus transportation is otherwise provided.
- Instruct the student concerning proper conduct on public transportation, as well as safety matters, including but not limited to, the differences between riding a school bus where vehicles will stop for loading and unloading and riding public transportation where vehicles do not stop when passengers are loading and unloading.
- Receiving any complaints about the student's conduct on public transportation could result in disciplinary referrals and/or the student's removal from the school.

"I understand that the records of all students who are brought before the school's Intervention and Appeals Committee (IAC) are reviewed by all members of that Committee which includes parent representatives and school staff.
