The Third Grade Teachers

Space in our 3rd grade desks are very limited.

We are asking that you please purchase the attached pencil case (or one very similar to it, especially size wise) for your child for third grade. It is available on Amazon in a variety of colors. All of their supplies will fit inside it, and it fits perfectly inside our desks. Please have it packed and ready to go for the first day of school.

Thank you so much for your support and cooperation. We are looking forward to a fabulous school year!
