The Fourth Grade Teachers

Space in the classroom and inside the students' desks is very limited.

We are asking that you please purchase the attached pencil case (or one very similar to it, especially size wise) for your child for fourth grade. It is available on Amazon in a variety of colors. All of their supplies will fit inside it, and it fits very nicely inside the students' desks. Please have it packed and ready to go for the first day of school. The students' pastels and watercolor sets from third grade have been collected and will be stored in the classroom until they are needed for art class.

Thank you so much for your support and understanding ☺
