

Dear First Grade Families,

Summer is a wonderful opportunity to enhance your child's reading. They have come so far this year and need to keep their reading skills sharp as they prepare to enter second grade. Attached is a Summer Reading Log that will be due the first day of school. Students entering second grade are required to read 10 books over the summer. Depending on your child's ability, two chapter books should be included.

We encourage all families to visit their local libraries this summer. Check them out and happy reading!!

Sincerely,

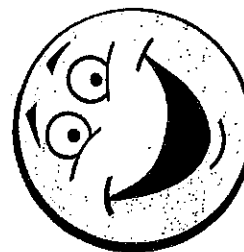

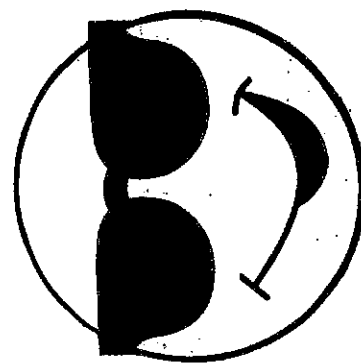

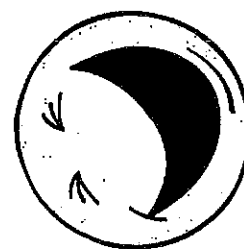

The Second Grade Teachers

Dear Future Second Grade Families,

Attached is the Summer Math Packet to be completed by your children throughout the summer. It is to be returned on the first day of school in August. This packet is a review of concepts learned in first grade. Students should have basic addition and subtraction facts mastered upon the start of second grade. Flashcards are the best way to achieve mastery of basic facts. We suggest making your own flashcards using index cards and the basic facts sheet included in this packet. Please use a Sharpie marker when creating your flashcards. Second grade students will be required to bring in flashcards the first day of school. Listed below are some interactive websites that are also helpful!

https://www.mathplayground.com/grade_2_games.html

www.funbrain.com

www.pbskids.org/games/math

Have a relaxing and fun-filled summer and we look forward to meeting your children in August!

Sincerely,
The Second Grade Teachers
