Dr. Lynn Kelley, Director of Student Services

Dear East Greenwich Township School Community,

I wanted to take a moment to introduce myself as the new Director of Student Services. I am excited to have joined this wonderful school community and look forward to working towards the student growth and educational excellence that our community embraces.

To know a little about who I am and what I bring to the district I would like to summarize my past experience. Starting in education as a Special Education teacher I have had the pleasure of working with students grades PK-12+ in an array of programs. When moving into administration, I have served as a Supervisor of Special Education and also worked several years with The College of New Jersey as an Assistant Professor and Director of the STEP Office which supported preservice teachers in acquiring clinical/hands-on experiences in preparation of acquiring their teacher certifications. Each position has afforded me the opportunity to focus on my own professional growth and promote the same in teachers, staff and students.

While each position has been immensely rewarding, I truly love serving as the Director of Student Services. This position affords me the opportunity to share my experience and skills while supporting student programming, faculty/staff and families, while focusing on academic excellence and socio-emotional growth for all. I look forward to sharing in the development of robust programs, implementing specialized curriculum, and facilitating professional development that supports our faculty and staff as lifelong learners themselves.

Working alongside the dedicated administrative team here at East Greenwich Township School District, I am excited to see all that we will accomplish together! If you have any questions or comments, please feel free to reach out to me at kelleyl@eastgreenwich.k12.nj.us.

Regards,
Lynn Kelley, Ed.D.

Educating the mind without educating the heart is no education at all. Aristotle
