

Hello, Future First Graders and Families! ☀️

I hope you are having a wonderful summer filled with fun, laughter, and lots of great memories. I am so excited to meet each of you and begin our year together in **Room 104!**

First grade is such a special year filled with learning, growth, new friendships, and exciting adventures. My goal is to help every child reach their fullest potential in a safe, caring, and engaging classroom where they feel confident, valued, and excited to come to school each day. This year, we'll become stronger readers, writers, mathematicians, scientists, and problem-solvers while learning the importance of kindness, responsibility, and teamwork. We'll read wonderful books, discover new ideas, celebrate our successes, and have lots of fun along the way!

Before the First Day...

- **Attendance:** If your child is absent, please send an absence note with them when they return to school explaining the reason for the absence.
- **Snack Time:** We will enjoy a daily snack. Please send a healthy, nutritious snack to help keep your child energized and ready to learn. We are an **allergy-aware classroom**, so please be mindful of any foods you send.
- **School Supplies:** Please label all school supplies with your child's name before bringing them to school.
- **Name Tag:** Please fill in your child's **name and bus number** and have them wear it on the first day of school. This helps us make sure everyone gets to the right place safely.

I am so excited for all of the learning, laughter, friendships, and memories we'll make together this year. Enjoy the rest of your summer, and I'll see you in September!

Warmly, Ms. Goldberg 🍎

P.S. Starting first grade is a big adventure, and it's okay to feel a little nervous! I can't wait to meet you, help you learn, and make sure you feel happy, safe, and right at home in our classroom. We're going to have an amazing year together!
