Master's degree and Doctorate degree stipend of \$2,000 will be issued to a teacher who is assigned to teach a subject area that correlates to his/her Master's degree.

Teachers above the step 30 pay will receive an annual Longevity amount.

House Bill 2 from the 89th Legislative created a Teacher Retention Allotment (TRA) to compensate and retain certain classroom teachers with funds provided by the State. If these funds are not provided in the future, the salary schedules will revert back to the base teacher salary schedule. In order to qualify for the TRA, a teacher must teach students 4 hours a day.
