Scores

When available, your scores are posted online and accessed using your secure ACT web account. Scores are processed and added each week, so keep checking in if you can't see yours yet. Viewing your scores online does not speed up reporting.

- **Multiple choice scores** are normally available within two weeks after each national test date, but it can sometimes take up to eight weeks.
- **Writing scores** are normally available about two weeks after your multiple-choice scores.

If you took the writing test, your overall scores are not officially reported until your writing scores have been added. Please note: Customer Care **cannot** provide your scores by phone, email, chat, or fax.
