Recommendation: This Request for Proposals was developed to identify a qualified partner to provide teacher certification exam preparation and support services for non-certified and provisionally certified educators employed by Jackson Public Schools. The purpose of the partnership was to assist educators in successfully completing required certification assessments, increase educator effectiveness, and support district efforts to recruit, develop, and retain highly qualified teachers in critical shortage areas.

Advertisement and Selection: An RFP was issued in accordance with district procurement procedures for the purpose of securing a Lead Partner for Teacher Certification Exam Support services for Jackson Public Schools.

Evaluation: Upon review of the district's current funding allocations and projected expenditure, it was determined that sufficient funding is not available to support the implementation of the RFP during the current fiscal year. **SUBMITTED PROPOSALS ARE REJECTED. THIS BID IS BEING RE-EVALUATED**
