

WHAT IS SCRIP?

Scrip is simply GIFT CARDS to use at your favorite retailers, grocery stores, and restaurants. Our order form of all our stock items is available on the right. Use them to pay for your everyday needs - shopping, eating out, gifts, gasoline, budgeting - and it's a **win-win** for your family and all St. Paul's students and teachers. Check out the selection on the RaiseRight website or app for hundreds of cards from around the country, even if they are not a stock item for us. We can order anything on the website for you! Gift cards can also be purchased as eGift cards while many gift cards are simply reloadable.

WHO BENEFITS?

Everyone should buy gift cards through the Scrip program because every student benefits! Proceeds from Scrip sales not only help you earn money towards registration for the next school year and/or the upper grade overnight field trips, but they also contribute towards field trips for all students, and much more!

WHY PURCHASE GIFT CARDS THROUGH SCRIP?

There is no reason not to! Scrip is an easy way to help St. Paul's raise money and get a little something back for your family at the same time by simply using gift cards to pay for what you are already buying. Every year, multiple families are able to send their children on the overnight trips, paid for completely by their Scrip savings!

Encourage your family and friends to purchase too! When they fill out the Scrip Program Agreement Form available on the right, be sure to have them designate the rebates to go towards your family.

Option Two: Order Drop off/Pick up

If you have not already done so, please fill out the Scrip Program Agreement Form available on the right and send in the completed form with your order.

- **Dropping off**: You can drop off your order form to the School Office between 7:45 am and 3:30 pm, Monday-Friday, or if you are dropping off after hours, you can place it in the mail slot in the door directly to the right of the School Office door that has the cross cut out. We fill your order and return it to the School Office for pick up at your convenience, either pre-paid or COD. If you've paid and want it sent home, we can do that too! Please specify on the order form the child's name to send it home with and their teacher's name.

- **Send your order in with your child anytime:** Your child gives the order form to their teacher. It is then sent to the Scrip Office, we fill it, and can either send it back home with your child for paid orders, or hold it for COD payment or pickup in the School Office.
