

SECONDARY SCHOOLS QUICK GUIDE TO DIGITAL ACCOUNTS AND SERVICES

Active Directory

Active Directory provides secure student sign-in to devices within the New Hanover County Schools Network.

USERNAME: firstname.lastname

PASSWORD: Please contact the Help Desk if a student is new or cannot recall the password given by their school.

Google Account Access

Students can use their Google accounts to access Google Classroom and other Google tools. Please remember that Gmail is no longer available. You will need to use Outlook for email from now on.

USERNAME: firstname.lastname@student.nhcs.net

PASSWORD: Please contact the Help Desk if a student is new or cannot recall the password given by their school. **Students are encouraged to change the default password. To do this, [click this link](#), sign in, and select "Password" under "Signing in to Google,"**

Clever Student Portal

Students can use this secure single sign-on portal service to access digital resources connected to their teachers' classes.

STEP 1: Visit nhcs.net.

STEP 2: Select "Quick Links" from the menu.

STEP 3: Select "Clever."

STEP 4: Select "Log in with Microsoft Entra" option.

USERNAME: firstname.lastname@student.nhcs.net

PASSWORD: This password is the same as their Active Directory password. Please contact the Help Desk if a student is new or cannot recall the password given by their school.

Students can access Clever directly from their Chrome landing page.

NCEdCloud

NCEdCloud is a secure single sign-on portal used to house important applications including PowerSchool Portals (grades) and Canvas (high school learning management system).

USERNAME: Student ID Number or Email Address

PASSWORD: Secure randomly generated password can be retrieved from the school's data manager or the student's teacher.

Help Desk

The Help Desk can assist students, parents, and staff with resetting account passwords and troubleshooting login issues.

HOURS: Monday - Friday

7:30AM - 4:30 PM
