Dear LWMS Families,

Welcome to the 2026–2027 school year at LISA West Middle School! Whether you are joining us for the first time or returning for another year, we are excited to begin a new chapter filled with learning, growth, and community. We are very excited to be in our new location at 21 Corporate Hill, right down the driveway from our previous building. The updates are looking great, and we can't wait to invite everyone to see on Meet-Your-Teacher day.

Rest assured that while our location has changed, our commitment to learning and growth has only deepened. We trust that you have chosen our school to help your student develop a smarter, more confident self, and we will not let you down. After having worked with the teachers and staff at LWMS last year, I will confidently say that they are excellent education professionals and have your/our students' best interests at heart. This was proven when we got our 25-26 summative ATLAS scores back in May, showing that over 60% of our students' scores increased in each subject. As you know, it takes more than a textbook to teach and learn, so I am very proud of the holistic efforts of my team and students to meet their goals and show our students that they can and will succeed.

To our incoming 6th and 7th graders, we can't wait to welcome you to campus and start this journey together! We look forward to a year filled with meaningful learning, strong relationships, and memorable experiences. Thank you for being part of the LWMS community. Let's make this our best year yet.

See you soon,

Madeline Smith, Principal
