Substitute Teacher Application

Historic and remote Lake City is located 55 miles south of Gunnison in southwest Colorado. Hinsdale County is a sparsely populated wilderness county, stretching over a vast amount of publicly held land (97%) and according to USGS, is the most remote county in the lower 48. Lake City is surrounded by five 14ers including one of the most magnificent - Uncompahgre Peak - and nestled against crystal clear Lake San Cristobal. Situated at 8,671 feet in the heart of the San Juan Mountains, Lake City was a booming mining town in the late 1800s and has seen a rebirth in the last 25 years as a tourist destination and second home for seasonal residents. Our mountain setting is ideal for backpacking, hiking, camping, boating, fishing & ice-fishing, horseback riding, jeeping, hunting, ATVing, mountain biking, rafting, cross-country skiing, snow shoeing, snowmobiling, ice climbing and historic tours.

Hinsdale County School District, with only one school – Lake City Community School, is one of the oldest on the Western Slope, first established in 1876. Its original school building, built in 1880 and remodeled in 1949, housed primary through high school grades. In 2020, the current facility (originally built in 1986) was renovated and included an addition of a gymnasium, kitchen and additional classroom spaces. Hinsdale County RE-1 is an award-winning district which prides itself on strong academic performance, a dedicated professional staff and strong community support.
