Dear Cheetah Families,

Welcome to the 2026–2027 school year! I hope you and your family have had a restful and enjoyable summer. I am excited to join the H. Allen Hight community and look forward to partnering with you for a wonderful year of learning, growth, and connection.

As we begin the school year, our focus will remain on ensuring every student is supported academically, socially, and emotionally. We will continue strengthening literacy instruction and intervention supports so that all students receive the instruction and targeted assistance they need to thrive. Through our continued work in Professional Learning Communities (PLCs), staff will collaborate to monitor student progress and respond to student needs.

We will also continue building students' academic language by encouraging them to think deeply, engage in meaningful discussion, and confidently talk about their learning. Helping students communicate their thinking strengthens both understanding and independence.

We will continue building on the strong foundation of the Cheetah Way of **Being Safe, Being Responsible, and Being Respectful**, while supporting students through community circles, restorative practices, and positive behavior supports.

Family partnership is essential to student success, and we encourage all families to stay engaged in our school community through opportunities such as the Parent Teacher Association (PTA), School Site Council (SSC), English Learner Advisory Committee (ELAC), volunteering, and school events throughout the year.

To ensure you receive important updates, please make sure your contact information is current in Infinite Campus and that you are signed up for ParentSquare. ParentSquare will be our primary communication platform for school and district messages, while Infinite Campus provides access to student schedules, attendance, and grades.

Thank you for being an important part of our H. Allen Hight community. Together, we will create a safe, supportive, and engaging learning environment where every Cheetah can thrive. I look forward to a fantastic year of learning and growth together.

Go Cheetahs!

Warmly,
