SHOREWOOD SCHOOL DISTRICT

A NOTE FROM LAURIE

Dear Neighbors,
I hope you have been enjoying summer in Shorewood. Publication of the Fall Program Guide means that the new school year is coming up! The first day of classes will be on Tuesday, September 1.

I want to take this opportunity to provide an update on our long-term financial planning work, which will continue through the fall.

As you may know, a 40-member Task Force on Long-Term Financial Sustainability met several times during the 2025-2026 school year. A Task Force Report was presented to the School Board at the end of April, and Board members will continue to review this, as well as important community input about potential school reconfigurations and related financial information, at their meetings this summer.

Additional community information sessions will be scheduled after school starts in September. I encourage you to attend, and use the QR code below to access Task Force and community presentations, and other planning information.

Thank you for your ongoing support of the District, and your participation in the programs and events offered by our Recreation & Community Services team.

In Partnership,
Laurie J. Burgos, Ph.D - Superintendent

Must be at least 3 years by October 31, 2026

Bright Beginnings Preschool focuses on the individual child and provides an educational environment that stimulates and nurtures each child's unique growth potential. We provide numerous exciting and engaging thematic units throughout the year, allowing your child to freely explore and grow in important skill development areas, including: large and fine motor skills, language and literacy, science and math, art and music. Your child's social and emotional development is of prime importance. At Bright Beginnings, we help each child grow in his or her feelings of self-worth, self-confidence, respect, appreciation of others, love of learning and of school. Our curriculum reflects the most current understanding regarding child development and early education, and embraces Shorewood School District curriculum goals. **Parents are strongly encouraged to register for just one session. Monday/Wednesday/Friday curriculum is repeated on Tuesday/Thursday.**

Bright Beginnings will follow the school year calendar for the 2026 - 2027 school year. When the elementary schools do not have school, Bright Beginnings will not be held.

PRESCHOOL TOILETING GUIDELINES: All children are to be completely toilet trained before the first day of school. If your child is not completely toilet trained, you will be required to be present in the classroom and assist your child with toileting needs. Teachers and volunteers will assist children with buttons or snaps on clothing as necessary. Independence and reinforcement of self-help skills will be encouraged by the teachers.

2026 - 2027 Tuition Payments: A \$200 nonrefundable deposit is required at the time of registration to reserve a spot for your child. Receive a \$100 discount if tuition is paid in full at registration. All balances must be paid in full by August 1, 2026. 2. PICK UP AND DROP OFF FOR PROGRAMS

We are UNABLE to escort your child to and from any recreation programs due to the staffing needs that this service would require. All transportation arrangements for classes must be made on the parent/guardian's part. Parents are reminded to pick their children up at the completion time listed for the activity they are participating in. Recreation staff are not responsible for participants once their class is completed (they are not paid to wait for parents who are late in picking up their children). We also ask parents to stress to their children that when they are in a school building, they should go directly to their program activity area and not wander around the building. We do not wish to lose our privilege to utilize these facilities because of participants being where they should not be. Your cooperation with this is greatly appreciated.
