Emergency Procedures & Communications

In the case of an emergency at our schools, we ask that you please remember to look for official information from the school or district. We may deliver messages via school and district websites, [ParentSquare](#) (in-app notifications), email, phone, text, and district social media accounts - [Facebook](#), [X](#), and [Instagram](#).

The District utilizes a layered safety approach that includes controlled campus access, visitor screening, security window film, security cameras, comprehensive school safety plans including emergency procedures, emergency alerting through Centegix CrisisAlert, and strong partnerships with local law enforcement agencies. Students and staff are trained in emergency procedures, and parents play a critical role by following District communication and reunification procedures during emergencies.

Parent Emergency Contact Information

Please ensure that we have your most accurate contact information on file in order to be able to effectively communicate with you during an emergency.

In the event that you move, you must verify your new address with your school's front office. Student and parent contact information can be updated throughout the year via the [Aeries Parent Portal](#). The school office cannot be responsible for making those changes.

Please contact your school to receive your student's confidential account information so that you may sign up for a portal account. If you are unable to create a portal account, please visit your student's school to update contact information.

Emergency Procedures

Our school has emergency procedures in our comprehensive school safety plan and conducts training with staff on a regular basis.

We have implemented the "I Love U Guys" Standard Response Protocol (SRP) and Standard Reunification Method (SRM). SRP provides five actions: Hold, Shelter, Secure, Lockdown, and Evacuate. SRM provides a structured process for safe student release following an emergency. Staff utilize the Centegix CrisisAlert system to immediately notify administration, site response team, students, and emergency responders, when appropriate, of emergencies.

In the event of an emergency requiring reunification, parents/guardians must report to the designated reunification location, present valid identification, and follow all staff instructions. Parents should not come to campus during a lockdown or active emergency unless directed by the District.

Safe and Secure Campus

We have a locked campus to ensure the safety and security of students and staff. If school is in session, your child must check in through the office and receive a tardy slip. Do not instruct your child to go directly to class. All parents and other visitors must enter through the front office.

The campus is open to parent volunteers and visitors. In accordance with state law, all visitors, volunteers, and contractors must check in through the District's visitor management system, present a valid government-issued ID, and wear a visible badge at all times.

This procedure gives us a chance to say "hello" to those we know, to meet those we do not know, and to make sure unauthorized access to the school does not compromise the safety of our students or teachers.

WeTip

NMUSD has partnered with WeTip 2.0, a 24-hour anonymous reporting system (tip line) through which suspicious activity and safety concerns at secondary schools can be reported via phone, text and an online form. Tip Categories include Bullying, Concern for Self or Others, Discrimination/Harassment, Physical Abuse & Misconduct, Threat to School or Students, and Vandalism.

ACADEMICS

Academic Honesty

Students are expected to do their own work in an honest and forthright manner. Looking at another student's test paper, using cheat sheets, obtaining test answers, copying homework, and plagiarizing (copying from a book, magazine, a peer, or the internet) to complete an assignment or project are dishonest acts. Students who compromise their integrity in these ways will be subject to disciplinary action and may compromise their grade.

Additionally, using AI-powered digital tools to generate content that is presented as original work is a form of plagiarism. This includes having AI write essays, answer test questions, or paraphrase existing content without proper citation. Remember, schoolwork is about developing your own knowledge and critical thinking skills. If you're unsure whether a particular use of AI is acceptable, consult your teacher before proceeding. More information regarding citation and appropriate use of AI can be found [here](#).

Acceptable Uses:

- Brainstorming and idea generation.
- Exploring topics for deeper understanding.
- Creating outlines or plans for assignments (with disclosure if required by your teacher).

Unacceptable Uses:

- Using AI-generated content as your own work without acknowledgment.
- Submitting AI-produced responses on assessments or assignments meant to reflect your own understanding.
- Misrepresenting your AI-assisted work as entirely original.

Expectations for Students:

- Clearly acknowledge when you use AI tools in completing assignments.
- Demonstrate personal understanding and original thought in your submitted work.
- Ask your teachers if you're unsure about appropriate AI use.

Academic Intervention/Credit Recovery

Students who fall behind academically qualify for credit recovery coursework. Credit recovery provides students with an opportunity to retake coursework for which they did not earn credits. The programs are designed to help recover lost credits and ultimately meet graduation requirements. Please see your counselor for additional information.

Grades

At NMUSD, we recognize the importance of academic achievement and the role it plays in shaping students' success. Therefore, we have clear expectations regarding grades and provide comprehensive syllabi to guide students through their courses. Teachers are provided the responsibility of issuing grades based on [California Education Code 49066](#). If students or parents want to challenge a grade, please contact your school principal.

Graduation Requirements

NMUSD places a strong emphasis on graduation requirements and providing the option for students to meet the California A-G requirements as milestones for our students academic success and future opportunities.

NMUSD requires students to complete 230 credits for graduation which include a breadth of coursework.

A-G requirements established by the University of California and the California State University are a series of rigorous courses that prepare students for admission to the UC and CSU schools. For additional information regarding graduation requirements and coursework, please see Board Policy [6146.1](#).

Homework

Homework serves as an essential component of the learning process, designed to reinforce classroom instruction, promote independent learning and enhance academic skills. NMUSD believes that homework plays a valuable role in academic development and NMUSD policies reflect this belief. Please check with your student's teacher to learn more about their homework policy.

Homework Requests for Absent Students

NMUSD recognizes the importance of maintaining the continuity of learning, even when students are absent from class. Independent study options are available to support students in keeping up with missed coursework. Short-term independent study is offered to students who are going to be out for 1-15 days. Long term independent study is for students who plan to be out longer than 15 days. Please contact your students counselor for more information.

A medical release for school re-entry may be required following an illness, chronic medical condition, surgery, possible contagious infection, or referral by the health office. Please also inform the classroom teacher and health office of any limitations or restrictions following an illness, surgery, broken bone, or other medical condition.

Tardiness

It is important to be at school on time, every day.

A student who arrives more than 30 minutes late to class will be marked absent.

Students who are late must print a tardy pass using the Tardy Kiosk located in the front office. If a student is tardy due to a medical appointment, please inform office staff.

Chronic Absence and Truancy

We believe that regular attendance is vital for your child's academic success. We are committed to fostering open communication with parents to address any attendance issues that may arise. Our attendance notification system is designed to keep you informed and to work together in supporting your child's attendance.

If a student shows a pattern of chronic absenteeism due to illness, district staff may require physician verification of any further student absences.

FIRST NOTIFICATION OF TRUANCY:

If your child has missed school without a valid excuse on three full days in one school year or has been tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof, you will receive a "FIRST NOTIFICATION OF TRUANCY."

SECOND NOTIFICATION OF TRUANCY:

SCHEDULED CONFERENCE:

After the issuance of the “SECOND NOTIFICATION OF TRUANCY,” a conference may be scheduled with you and your child to address attendance concerns and collaborate on improvement strategies.

THIRD NOTIFICATION OF TRUANCY:

If attendance has not improved since the “Second Notification of Truancy,” and your child continues to miss school without a valid excuse, you will receive a “THIRD NOTIFICATION OF TRUANCY.”

CHRONIC ABSENCE NOTIFICATION:

Additionally, absences are allowed for justifiable personal reasons, such as court appearances or religious observances, with the principal’s approval. Students can also

be excused for participation in certain civic or cultural events, as long as these absences meet specific criteria outlined by the school.

The law also provides for absences due to a student's role as a parent for their own child's medical appointment. Absences for religious retreats (not exceeding four hours per semester) or other approved religious activities. Furthermore, students can be excused for serving on a jury or participating in an election as a precinct worker.

Students excused under these provisions are allowed to make up missed work, and excused absences will not affect their enrollment status.

Absences For Religious Purposes (EC §§46014, 48980)

With your written consent, your student may be excused from school in order to participate in religious exercises or to receive moral and religious instruction at your student's place of worship or at other suitable place or places away from school property designated by the religious group. Your student may not be excused from school for this purpose on more than four days per school month.

Grade Reduction/Loss Of Academic Credit (EC §§48205, 48980)

Your student may not have his/her grade reduced or lose academic credit for any absence or absences excused under Education Code section 48205, when missed assignments and tests that can reasonably be provided are satisfactorily completed within a reasonable period of time.

- **Schoology:** For course management, assignments, and classroom resources (see [Schoology Message to Parents](#))

DISCIPLINE

In the Newport-Mesa USD, we closely follow the California Education Code for discipline. We believe in progressive discipline, with high levels of accountability and support, when appropriate. This can include a variety of interventions, including other means of correction and alternatives to suspension. When necessary and at the discretion of the site administrator, suspensions will also be used when a student's behavior and choices result in the need for such action. In the most significant and serious of incidences, a student may also be recommended for expulsion to the Office of Student Services.

To learn more about the specific disciplinary practices at your school, please contact your principal.

FIELD TRIPS/OVERNIGHT TRIPS

Field trips/overnight trips provide valuable opportunities for students to enhance their learning experiences beyond the classroom. To ensure the success and safety of all participants, it is essential that students understand and agree to the behavior expectations before, during and after field trips. Students who fail to adhere to the expectations may lose their privilege to participate in field trips. For more information, please contact the student advisor overseeing your student’s field trip.

HEALTH OFFICE

The school nurse is the health expert at school and uses professional skills to promote the well-being and success of students. The health assistant also provides support to students under the direction of the school nurse. Please contact the school for more information or if your student has a health concern and you would like to consult with the school nurse. Check the [Health Services website](#) for more information.

Immunizations

The district follows State immunization laws which indicate specific immunizations that are required prior to school entry and for school participation through verification of a valid vaccine record. Personal or religious beliefs exemptions are no longer accepted in place of required vaccines.

Parents can upload immunization records through the Aeries parent portal for review. Please let your school nurse know when your student's immunizations are updated and if you have questions.

Medical Exemptions for Immunization Requirements

Under current California law, a doctor may issue a medical exemption for students whose medical circumstances are such that immunization is not considered safe under the standard of medical care. Medical exemptions can only be issued through the California Immunization Registry - Medical Exemption (CAIR-ME) website <https://cair.cdph.ca.gov/exemptions> by physicians licensed in California. An existing medical exemption on file at school will remain valid until the earliest of:

- When the student enrolls in the next grade span (Pre-K, TK/K-6th grade, 7th-12th grade)
- Revocation of the exemption by the appropriate authority

Oral Health Assessment

Oral health assessments are required during a student's first year of school (TK, Kindergarten, or 1st grade if no prior school attendance). This exam is to be conducted by a licensed dentist or other licensed dental professional and must be completed and submitted to school by May 31 of a student's first year. Schools can provide an Oral Health Assessment Form to be completed by student's dental care provider. Parents can opt out with a written request.

Independent Toileting

The district recognizes that some students may need occasional assistance with toileting and seeks to provide a supportive, hygienic, and inclusive environment for all students. Parents are encouraged to notify and collaborate with the school of attendance if their student does not use the toilet independently.

Medication and Medical Procedures

Medication and medical procedures at school require written authorization from the parent and the prescribing physician. Forms are available from the school or the [Health Services website](#). Medication must be in a pharmacy labeled container for the medication to be given at school. Over-the-counter medication and products also require written physician orders and must be provided in the original container. Please provide the school with extra medication for disaster preparation.

Illness Prevention and Health Checks Prior to School

School nurses work collaboratively with the Orange County Health Care Agency regarding communicable disease concerns at school. For the health and safety of students, and to minimize the potential spread of illness to students and staff, parents are asked to use the guidelines below to determine school attendance.

When should my child stay home and when can they return?

- Overall, not feeling well
 - o Stay home if any new illness or symptom prevents a child from participating meaningfully in routine activities.
- Fever
 - o Stay home if fever is of 100.4°F or higher
 - o Return when fever went away overnight and is gone in the morning without the use of medications such as Tylenol, Advil, or Motrin (acetaminophen or ibuprofen).
- Vomiting
 - o Stay home if vomiting has occurred 2 or more times in 24 hours. Recommend frequent handwashing.
 - o Return when vomiting has ended overnight, and your child is able to hold down liquids and food.
- Diarrhea

- o Stay home if your child is unlikely to make it to the toilet in time (if potty trained), or any leaking could occur through clothing. Recommend frequent handwashing.
 - o Return when improving.
- Sore throat
 - o Stay home and seek medical attention for any difficulty breathing or swallowing, or continuous drooling. OK to attend with mild symptoms.
 - o Return when improving. If an antibiotic is prescribed, take the first dose at least 12 hours before returning.
- Cold symptoms, such as cough, stuffy/runny nose, sneezing
 - o Stay home and seek medical attention for severe symptoms, including a bad cough, difficulty breathing or trouble catching their breath, or wheezing when not controlled by medication. OK to attend with mild symptoms.
 - o Return when improving. If your child will need medication after returning, contact the school site to let them know.
- Ear or eye irritation, including pink eye
 - o Stay home and seek medical attention for difficulty seeing or hearing, an eye injury, or pain they cannot tolerate. OK to attend with mild symptoms. Recommend frequent hand washing.
 - o Return when improving.
- Rash
 - o Stay home and seek medical attention if rash is worsening, causing pain, has blisters, or is not healing. OK to attend with mild symptoms.
 - o Return when improving or as guided by health care provider. In general, for conditions such as lice, impetigo, ringworms, your child may return as soon as they start appropriate treatment.

This list is based on information provided from the California Department of Public Health. This should not be considered a comprehensive list of symptoms. Always consult your healthcare provider for health concerns.

Current Health and Contact Information

Up-to-date health information, phone and cell numbers are essential in case your student becomes ill or injured at school or if there is a disaster. We strive to maintain confidentiality of all health records. Health information may be shared with appropriate staff as necessary.

911 Calls

In emergency situations, school staff may contact emergency medical services (911) based on professional judgment. A school emergency 911 call may incur paramedic or ambulance fees to the family. Accident or health insurance may mitigate these costs.

Health Screenings

Health screenings are provided according to State requirements and when students are referred to the nurse. Vision and hearing screening are done at State required grade levels and when concerns are noted. Vision and hearing screenings can be waived by parents with a written request. The parent/guardian will be notified if areas of concern are found. Parents/guardians are invited to notify the nurse if they have concerns.

Medi-Cal Program for Local Education Agencies

The school district participates in the California Medi-Cal Program for Local Education Agencies. This allows reimbursement to the district with federal Medi-Cal funds for select medically necessary services provided to eligible students at school. These services may include speech and language therapy, occupational/physical therapy, transportation, mental health, and specialized physical health care services. In accordance with the local educational agency rules and guidelines, eligible student health data may be forwarded to the school district's billing agency, in accordance with confidentiality laws and Health Insurance Portability and Accountability Act (HIPAA) compliance. Services currently provided to all students will not be changed by this program. Students will not be denied services they require to attend school, and parents will not be billed for services by the school district.

NUTRITION

Newport-Mesa Unified School District takes part in the National School Lunch and Breakfast Programs. All students may receive a breakfast and/or lunch from the cafeteria at no cost. Visit the Nutrition Services website to view menus and nutrition information: <https://web.nmusd.us/departments/business-services/nutrition-services>.

EDUCATIONAL RIGHTS & REQUIRED NOTICES

Dangerous Objects/Weapons

The Newport-Mesa Unified School District is committed to providing a safe school and working environment. Both California State Education Code and Newport Mesa Unified School District Board policy state that possession of a firearm, knife, explosive or other dangerous object of no reasonable use to students is grounds for expulsion.

Please be aware that all District schools will vigorously prosecute any student found to have a dangerous weapon or object in his/her possession while on school grounds or while attending an authorized school activity. Such prosecution will normally involve the applicable law enforcement agency and end with the student facing expulsion from the District.

Weapons and dangerous objects include, but are not limited to any firearm, stun gun, air gun, spring activated gun, toy guns (imitation firearms), slingshots, bludgeons, brass knuckles, any knife (including pocket knives and cutting blades), chains, clubs, stars, explosives, fireworks, etc. Also included are articles designed for other purposes but which could easily be used to inflict bodily harm and/or intimidate (examples are belts, files, compasses, Scissors, bats, etc.). The Federal Gun Free Schools Act requires that any student bringing a firearm to school is subject to one calendar year of expulsion and referral of the student to law enforcement.

Administrators or other delegated school officials will confiscate any article, when in their professional judgment such article may, in a given circumstance, be utilized as weapon or dangerous object.

When reasonable suspicion arises that use or possession of a pupil's property is illegal, illicit, disruptive, or a danger to the general welfare of pupils and staff, a search may be conducted of the pupil's person or personal property. Student lockers and desks are the property of the school and are subject to search.

Anyone who knows of a weapon on school grounds or at a school-sponsored or school-related activity is encouraged to immediately contact his/her teacher, the principal or any other available school employee.

For more information, please contact any assistant principal or principal of any school.

English Learner Supports/Reclassification

Language Acquisition Programs

NMUSD is required to provide a Structured English Immersion (SEI) program option for our English learner students. This is a language acquisition program for English learners in which nearly all classroom instruction is provided in English,

but with curriculum and a presentation designed for pupils who are learning English. At minimum, students are offered English Language Development (ELD) and access to grade level academic subject matter content.

Newport-Mesa also offers two Dual Language Immersion (DLI) Programs: Mandarin Dual Immersion and Spanish Dual Immersion. For 2026-27, these programs begin in Kindergarten and continue to eleventh grade. To learn more about NMUSD dual immersion programs, please visit the [NMUSD Dual Immersion webpage](#).

Requesting a Language Acquisition Program

Language acquisition programs are educational programs designed to ensure English acquisition occurs as rapidly and effectively as possible and provide instruction to English learners based on the state-adopted academic content standards, including ELD standards.

Parents/Guardians may choose a language acquisition program that best suits their student. Schools in which the parents or legal guardians of 30 pupils or more per school or the parents or legal guardians of 20 pupils or more in any grade request a language acquisition program that is designed to provide language instruction shall be required to offer such a program to the extent possible.

Parents may provide input regarding language acquisition programs during the development of the Local Control Accountability Plan. If interested in a different program from those listed above, please contact the Director of Multilingual Programs at 949-515-6701 to ask about the process.

Parents of English learners have a right to decline or opt their children out of the school district's language acquisition program or opt out of particular English learner service(s) within a language acquisition program. However, districts remain obligated to provide the student meaningful instruction until the student is reclassified, inform the parent when progress is not made, and offer the parent programs and services to consider at that time.

Language Assessment

Every spring (February - May), English learner students take a test called the Summative English Language Proficiency Assessments for California (ELPAC). This test is part of the California assessment system and is aligned with California's English Language Development Standards. These standards make sure English learners have a high-quality program that will enable them to attain proficiency in English—developing the necessary skills and confidence in listening, speaking, reading, and writing—so they can be successful in the classroom.

The ELPAC measures the English language proficiency skills that students need to succeed in school. Your student's score report shows an overall score/performance level, consisting of oral language skills (speaking, listening) and written language skills (reading, writing).

The [NMUSD ELPAC webpage](#) has the following materials to help parents understand the ELPAC. These materials include:

- Sample Summative ELPAC Student Score Report
- ELPAC Parent Guide
- ELPAC Starting Smarter Resources

Reclassification (Exit) Criteria

How can my student qualify to reclassify as Fluent English Proficient (FEP)? The goal of language acquisition programs is for students to become proficient in English as rapidly and effectively as possible and to meet state academic achievement measures. The district's reclassification criteria are listed below:

	District Reclassification Criteria
English Language Proficiency Assessment	ELPAC: Overall Performance Level 4
Comparison of Performance in Basic Skills	SBAC Achievement Level of 4 (Standard Exceeded) or 3 (Standard Met) or mid-2 (Standard Nearly Met) <u>or</u> SBAC Lexile Level <u>or</u> STAR Lexile Level <u>or</u> DIBELS Composite Score

Teacher Evaluation	Teacher recommendation, based on report card grades
Parent Consultation	Parents/guardians have the opportunity to be involved in the reclassification process and provide an opinion through consultation with school staff

Homeless Liaison/McKinney Vento

Homeless Liaison

Homeless pupils have certain rights under California and United States law. For information concerning these rights, please contact the District's liaison for homeless children and youths, Christy Flores, who may be contacted at 714-424-7553 or cflores@nmusd.us

McKinney-Vento Homeless Education Assistance Act

The McKinney-Vento Homeless Assistance Act is a federal legislation that ensures the educational rights and protections of children and youth experiencing homelessness. It requires all local educational agencies (LEAs) to ensure that homeless students have access to the same free, appropriate public education, including public preschools, as provided to other children and youth.

Does your living situation meet the definition of homelessness?

The McKinney-Vento Act defines the term "homeless children and youths" as individuals who lack a fixed, regular, and adequate nighttime residence. You may be considered homeless if you are:

Temporarily staying with other people, often called "doubled up", because you cannot afford to live alone. This can include sharing another person's house, such as a friend or relative, because you lost your housing or don't have another safe place to go.

- Staying in emergency housing, like emergency or transitional shelters. This can include domestic violence shelters, trailers provided by FEMA (Federal Emergency Management Agency), housing paid for by programs such as Rapid Re-Housing, transitional living facilities, etc.
- Staying in a hotel/motel, cars, parks or any public or private places not designed for humans to live in. This can include camping grounds, cars, or any place outside/not meant for human habitation (abandoned buildings, bus or train station).
- Staying in substandard housing or housing with inadequate space for the number of occupants.

Additional Definition:

If you are not living with your parent or guardian, you may be considered an Unaccompanied Youth.

Unsure if you are eligible? Contact the district McKinney-Vento liaison to see what services and supports may be available.

For more information, including rights and services, visit the McKinney-Vento Homeless Education Program website at www.nmusd.us/homeless or contact the district's McKinney-Vento liaison Christy Flores at cflores@nmusd.us or 714-424-7553.

Civility Policy

It is the intent of the Board of Education to provide an orderly and safe learning environment in which students and adults feel comfortable, share the responsibility for maintaining a positive school climate, and take pride in their school, its achievements, and its environment.

This policy promotes mutual respect, civility, and orderly conduct among members of the school community including all employees, parents/guardians, students, and the public at all schools, district facilities, and at athletic and extracurricular events. This policy is not intended to deprive any person of his/her right to freedom of expression that is protected from governmental restriction on school grounds and district facilities/activities. Uncivil conduct does not include the expression of controversial or differing viewpoints.

The basic purpose of this policy is three-fold:

1. To promote a work and learning environment that is safe, productive, and nurturing for all staff and students, and to encourage the free flow of ideas without fear or intimidation
2. To provide our students with appropriate models for respectful problem-solving and conflict resolution
3. To reduce the potential triggers for violent conduct, such as fear, anger, frustration, and alienation, especially by making problem-solving procedures and alternatives to violence readily accessible to both students and adults

For purposes of this policy, uncivil conduct includes the following:

1. Directing vulgar, obscene, threatening, or profane gestures or verbal and/or written communications at another person.
2. Taunting, jeering, inciting others to taunt or jeer at a person.
3. Yelling at another person during a meeting or conference.
4. Repeatedly interrupting another person who is speaking at an appropriate time and place.
5. Imposing personal demands at times or in settings where they conflict with another's assigned duties, supervision responsibilities, and established practices.
6. Using racial/ethnic, religious, religion, gender, color, sexual, sexuality, or disability epithets.
7. Gesturing in a manner that would put a reasonable person in fear for his/her personal safety.
8. Invading the personal space of a person after being directed to move away.
9. Physically blocking a person's entrance to or exit from a room or location.
10. Remaining in a classroom or school area after a teacher or administrator in authority has directed one to leave.
11. Conduct which is likely to interfere with the peaceful conduct of the activities of the campus or facility.

Persons who perceive they have been subjected to uncivil conduct will be urged to resolve their concerns through simple, direct, or assisted communication with the person(s) at the source of the concern. When this is not possible or appropriate, any person who needs help identifying and/or using appropriate problem-solving procedures may seek assistance from the school administrator. Persons are encouraged to work out issues of concern promptly, and preferably, no later than two days after an incident has occurred. No retaliation will be permitted against persons for working in good faith under this policy and its related administrative regulation to resolve concerns.

This policy seeks to promote a school and workplace culture of respect and civility. Severe or persistent acts of uncivil conduct may, however, violate other school rules, such as the district's policies against harassment and sexual harassment or specific conduct codes. Violation of such policies may result in discipline, removal from district facilities and events, adverse employment action, or criminal charges as applicable. Nothing in this policy is intended to interfere with the ability of school officials to maintain order and discipline in the schools or to enforce school rules and applicable laws.
