2 **1.1** The District hereby acknowledges that CSEA is the exclusive bargaining
3 representative for all unit member employees in the wall-to-wall unit described in Appendix
4 II, attached hereto and incorporated by reference as part of this Agreement. In the event
5 the District hereafter creates a new unit member job classification or substantially changes
6 the duties of a current bargaining unit position, the District shall so notify the Association.
7 The parties shall thereafter meet and negotiate with regard to whether or not such position
8 is to be included within the Bargaining Unit. If the parties cannot agree thereupon, either
9 party, or both parties jointly, may petition the Public Employment Relations Board (PERB)
10 for a Unit Clarification procedure.

11 **1.2** The Association recognizes the Board of Education as the duly elected trustees of
12 the Colton Joint Unified School District and agrees to negotiate exclusively with the
13 representatives selected by the Board of Education.

14 **1.3** The word “day” in this Agreement shall mean calendar day unless otherwise

1 **ARTICLE 3 - DISTRICT RIGHTS**

2 **3.1** It is understood and agreed that the District retains all of its powers and authority
3 to direct, manage and control to the full extent of the law. Included in, but not limited to,
4 those duties and powers are the exclusive right to: determine its organization; direct the
5 work of its employees; determine the times and hours of operation; determine the kinds
6 and levels of services to be provided, and the methods and means of providing them;
7 establish its educational policies, goals and objectives; ensure the rights and educational
8 opportunities of students; determine staffing patterns; determine the number and kinds of
9 personnel required; maintain the efficiency of District operations; determine the curriculum;
10 build, move, or modify facilities; establish budget procedures and determine budgetary
11 allocation; determine the methods of raising revenue; may lawfully contract out work on
12 the same basis and for the same reasons as it has in the past, and take action on any
13 matter in case of any emergency. In addition, the District retains the right to hire, classify,
14 assign, evaluate, promote, demote, terminate, and discipline employees.

15 **3.2** The exercise of the foregoing powers, rights, authority, duties and responsibilities
16 by the District, the adoption of policies, rules, regulations and practices in furtherance
17 thereof, and the use of judgment and discretion in connection therewith, shall be limited
18 only by the specific and express terms of this Agreement, and then only to the extent such
19 specific and express terms are in conformance with law.

20 **3.3** The District retains its right to amend, modify, or rescind policies and practices
21 referred to in this Agreement in cases of emergency for the reasonable period of time
22 required by the emergency. Emergencies shall include, but not be limited to, national,

1 **ARTICLE 4 - GRIEVANCES**

2 **4.1** **Definitions**: - A "grievance" is an allegation by a unit member or the Association
3 that he/she has been adversely affected by a violation, misinterpretation, or mis-application
4 of the specific provisions of this Agreement that has not been resolved through informal
5 discussion with the site administrator or immediate supervisor. The term "grievant" shall
6 include either the unit member or the Association, whichever is applicable.

7 **4.1.1** - "Days", for the purpose of this Article, will mean regular working days when
8 the District Office is open for business.

9 When used hereinafter the words "unit member" shall mean employees
10 within the bargaining unit covered hereby unless otherwise stated.

11 The "immediate supervisor" is that administrator/supervisor having
12 immediate jurisdiction over the grievant and who has been designated by the
13 District to adjust grievances.

14 **4.2** This grievance procedure shall not be used to challenge or change policies,
15 regulations, or procedures of the District which are not included in this Agreement, nor shall
16 the grievance procedure be used for other matters for which specific methods of review
17 are provided by law, District policies, rules or regulations.

18 **4.3** The purpose of this procedure is to secure, at the lowest possible administrative
19 level, solutions to problems, which may from time-to-time arise concerning the
20 interpretation and application of this Agreement.

21 **4.4** Since it is important that grievances be processed as rapidly as possible, the time
22 limits specified at each level should be considered to be maximums, and every effort should
23 be made to expedite the process. Any of the time limits set forth in this Article may be
24 waived by written agreement between the parties. Any of the levels or procedures in the
25 Article may be waived by written agreement between the parties.

26 **4.5** Every unit member shall have the right to present grievances in accordance with
27 these procedures with or without representation. Nothing contained in this Article shall be
28 construed to prevent any individual unit member from discussing a problem with a
29 representative of the District and having it resolved without filing a grievance as provided
30 herein.

31 **4.6** The failure of the grievant to act within the prescribed time limits stated in this Article
32 will act as a bar to any further appeal. The failure of the District to give a decision within
33 the time limits shall permit the grievant to proceed to the next step.

34 **4.7** In any instance where the Association is not represented in a formal grievance, the

1 District shall not agree to a resolution of the grievance until:

2 a. The exclusive representative has received a copy of the grievance and the

3 proposed solution to the grievance;

4 b. The Association has been given an opportunity to file a response within two (2)

5 days. Any proposed solution, which would change the terms of this Agreement,

6 must be agreed to by the Association.

7 **4.8** Hearings and conferences under this procedure shall be conducted at a time and

8 place which will afford an opportunity, as much as possible, for all persons entitled to be

9 present to attend and will be held, in so far as possible, after the normal duty hours of the

10 personnel involved. When such hearings and conferences are held at the request of the

11 District during the regular workday, all unit members, whose presence is required, shall be

12 released without loss of pay for those hours they are required to attend such hearings or

13 conferences. However, the District will not release, without loss of pay, more than one (1)

14 Association representative per grievance.

15 **4.9** Any investigation or handling or processing of a grievance by a grievant, or the

16 Association, shall be conducted so as to result in no interference with or interruption of the

17 instructional program or regular workflow.

18 **4.10 Association Release Time** - Association representatives may be designated by

19 the Association to take up matters pertaining to grievances. Upon request, the Association

20 shall be afforded six hundred and fifty-six (656) hours of paid release time per calendar

21 year, not to be accumulated, for investigation of grievances or other union business.

22 **4.11** Although a specific time period is provided for administrative decisions at each level

23 of the grievance procedure, it is recognized that at each level of the procedure grievance

24 claims shall be assigned consecutive numbers, based upon the time and date on which

25 written grievances are received by supervisory or administrative personnel. These

26 grievances shall be processed in a sequential manner, following a pattern that first filed will

27 be first considered. Regardless of specific time periods provided for decisions at the

28 various levels of this procedure, no supervisor or administrator will be required to consider

29 more than two grievances in any one week.

30 **4.12 Release Time - President**

31 a. The President of the Association shall be released 80% from their regular duties

32 to the District for the full term of this Agreement.

33 b. The President of the Association shall be contracted for the same work year as

34 the President's current position. By July 1st of each school year, the President

- 1 of the Association shall provide to the District Superintendent or designee, a
2 tentative work calendar for that school year.
- 3 c. The President of the Association shall be paid in the same manner as if the
4 person were a regular employee of the District, and shall suffer no reduction in
5 salary, step, fringe, or other benefits. If the President of the Association is absent
6 from regular duties for no more than four (4) years, the President of the
7 Association shall also be guaranteed the right to return to the site and position
8 occupied before taking office if said position would have still been available in
9 the normal course of events. If the President of the Association is absent from
10 normal duties for more than four (4) years, the same position and work calendar
11 shall be guaranteed by the District. CSEA agrees that the District may fill the
12 President's vacated position with a substitute or short-term employee.
13 Additionally, the District may involuntarily transfer the employee serving in place
14 of the President in accordance with Article 10.5.
- 15 d. The President of the Association will receive full California Public Employees
16 Retirement System (CalPERS) service credit for all contracted work days to the
17 extent permitted by law and CalPERS.
- 18 e. The President will be eligible for overtime if they comply with the procedures for
19 signing up for the opportunity.
- 20 f. During their term of office, the President must maintain the minimum qualifications
21 for their position, including any continuing licensing and education requirements.
- 22 g. The District shall cover 70% of the costs associated in section 4.12.
- 23 h. The Association shall cover 30% of the costs associated in section 4.12. The
24 Association agrees to apply .06% of its negotiated 2022-2023 ongoing salary
25 increase, which shall cover CSEA's 30% of the costs associated in section 4.12
26 in perpetuity.
- 27 **4.13** In a case of multiple grievance claims on the same or similar issues, the District
28 may elect to hear only the first written grievance filed, and the decision rendered shall be
29 applicable to all claims on the same issue, arising from the same set of circumstances.
- 30 **4.14 Informal Level:** Before filing a formal grievance, the grievant should attempt to
31 resolve the grievance by an informal conference with the grievant's immediate supervisor.
- 32 **4.15 Level One:** Within fifteen (15) days of the event, act or omission, or when the unit
33 member could reasonably have known of the event, act or omission, the grievant must
34 present his grievance, on the appropriate District form, to his/her immediate supervisor or

1 designated representative. This statement shall be a clear, concise statement of the
2 grievance, the circumstances involved, the decision rendered at the informal conference,
3 and the specific remedy sought. The supervisor, or designated representative, shall
4 communicate his/her decision to the unit member, in writing, within ten (10) days after
5 receiving the grievance. If the supervisor, or representative, does not respond within the
6 time limits, the grievant may appeal to the next level. Within the above time limits, either
7 party may request a personal conference with the other party.

8 **4.16 Level Two:** In the event the grievance has not been satisfactorily settled at Level I,
9 the grievant may appeal the decision, on the appropriate District form, to the Assistant
10 Superintendent, Human Resources, within ten (10) days. The statement shall include a
11 copy of the original grievance, the decision rendered, a clear and concise statement of the
12 reasons for the appeal, and the specific remedy sought. The Assistant Superintendent,
13 Human Resources, shall communicate their decision within ten (10) days after receiving
14 the appeal. Either the grievant or the Assistant Superintendent, Human Resources may
15 request a personal conference within the above time limits. If the Assistant Superintendent,
16 Human Resources does not respond within the time limits, the grievant may appeal to the
17 next level.

18 **4.17 Level Three:** If the grievance is not resolved in Level II, a written notice of appeal
19 to Level III shall be served to the District within ten (10) days following the disposition of
20 the grievance in Level II. If requested by either party, the issue shall be submitted to
21 mediation. A mediator appointed by the State Conciliation Service will hear both positions
22 and render non-binding suggestions in the hope that a solution will result.

23 **4.18 Level Four:** In the event the grievance has not been satisfactorily settled at Level
24 III, the grievant may appeal to the Association, which will within ten (10) days submit a
25 request in writing to the Superintendent for binding arbitration of the dispute.

26 The Association and the District shall attempt to agree on a binding arbitrator. If no
27 agreement can be reached, they shall request the State Conciliation Service to supply a
28 panel of five (5) names of persons experienced in hearing grievances in public schools.
29 Each party shall strike a name until only one name remains. The remaining panel member
30 shall be the binding arbitrator. The order of striking shall be determined by lot.

31 The fees and expenses of the arbitrator and the hearing shall be borne equally by
32 the District and the Association. All other expenses shall be borne by the party incurring
33 them.

34 The arbitrator shall, as soon as possible, hear evidence and render a decision on

1 the issue or issues submitted to them. If the parties cannot agree upon a submission
2 agreement, the arbitrator shall determine the issues by referring to the written grievance
3 and the answers thereto at each step.

4 The arbitrator will have no power to add to, subtract from, or modify the terms of
5 this Agreement or the written policies, rules, regulations, and procedures of the District.

6 The arbitrator's decision must be limited to the specific issue or issues submitted to
7 them, and based upon the arbitrator's interpretation of meaning or application of the
8 language of the Agreement.

9 After a hearing and after both parties have had an opportunity to make written
10 arguments, the arbitrator shall submit in writing to all parties their findings and decisions,
11 which shall be binding to the Board of Education, the unit members, and the Association.

1 **ARTICLE 5 - ASSOCIATION SECURITY/PAYROLL DEDUCTIONS**

2 **5.1** The District will deduct from the pay of Association members and pay to the
3 Association the normal and regular Association membership dues as voluntarily authorized
4 in writing by the employee on the Association form, subject to the following conditions:

5 **5.1.1** - Such deduction shall be made only upon submission of the Association form
6 to the designated representative of the Association, duly completed and executed
7 by the employee and the Association. The Association shall provide written
8 notification to the District of any unit member who is a member of CSEA and its
9 Chapter 244, or who has applied for membership, and who has authorized
10 deduction of unified membership dues, initiation fees and general assessments in
11 the Association.

12 **5.1.2** - New, changed, or discontinued deduction notices must be received by the
13 Colton Joint Unified School District Payroll Office from the Association no later than
14 the twenty-fifth day of the month to have the necessary adjustments prepared for
15 the warrant to be issued for the first pay period of the following month. Payroll
16 deduction changes received after the twenty-fifth day of the month will not be
17 processed for the next month's deductions.

18 **5.1.3** - The District shall deduct dues from the salary warrant of any current unit
19 member. At the option of the unit member, payment of dues may be made directly
20 to the Association in advance, on a monthly or annual basis.

21 **5.2** The Association shall indemnify and reimburse the District for attorneys' fees, all
22 costs, expenses, fees, and judgments incurred by the District and, further, shall fully
23 indemnify the District against any and all lawsuits or other legal proceedings which
24 may be brought about against the Board or District personnel arising out of and in
25 connection with the enforcement of this Article.

1 **ARTICLE 6 - COMPENSATION**

2 **6.1** The regular rate of compensation for each position in the bargaining unit shall be
3 as set forth in Appendix III, Salary Schedule. The regular rate of pay shall include any shift
4 differential, longevity increments, etc. required to be paid under this Agreement.

5 **6.1.1** – All classified salary schedules shall reflect an increase of 2.3% effective
6 July 1, 2025.

7 **6.1.2** – All unit members in paid status as of the date that the Board approves a
8 tentative agreement shall receive a one-time 0% off schedule bonus for the 2025-
9 2026 school year on the salary schedule.

10 **6.2** The District will provide information concerning deductions from the unit member's
11 pay warrants for those items which are set forth on the standardized San Bernardino
12 County Earnings, Deductions and Leave Statement that is attached to each pay warrant.
13 No optional salary deductions will be made from the unit member's earnings without written
14 authorization from the unit member.

15 **6.3** Whenever an error is made in a calculation or reporting of any unit member's payroll
16 or in the payment of any unit member's salary, the District shall, subject to the limitations
17 imposed by the County Payroll Service, within five (5) days following mutual determination
18 of such error, provide the unit member with a supplemental payment and a statement of
19 the correction.

20 **6.3.1** - When a unit member receives an overpayment in any pay period, such unit
21 member and a CSEA representative shall meet with the District's Director of
22 Accounting or District designee in order to discuss and mutually agree upon a
23 repayment schedule. Furthermore, a repayment contract will be entered into
24 between the unit member and the District so that all parties are aware of the
25 repayment schedule. If so designated by the unit member, they may meet with the
26 District without a CSEA representative.

27 **6.3.2** - The District shall notify the unit member of any overuse of the leave
28 provisions. When an overuse of the leave provisions has been determined by the
29 District, a meeting as outlined in 6.3.1 above shall be held and a repayment
30 schedule shall be developed at this meeting. The parties shall determine the
31 outcome of any subsequent overuses for the remainder of the school year. This
32 outcome shall be agreed to by the unit member, the District and CSEA.

33 **6.3.3** - The repayment must be completed by the end of the current calendar year
34 or fiscal year.

1 **6.4** Unit members shall be granted longevity service increments of two and a half
2 percent (2.5%) starting with the 10th, 15th, and 20th year. Beginning with the 25th year,
3 longevity increments will be 3% and each five-year period of service thereafter. Unit
4 members will receive an additional \$909, or the same rate as management, whichever is
5 higher, during the final year of service with a minimum of three-month notice of intent to
6 retire. Increments to be effective July 1st and will be computed on a compounded basis.

7 **6.5** All bargaining unit members, with the exception of the Child Development Teachers
8 (Salary Schedule "E"), shall be eligible for the School Board approved professional growth
9 program which is set forth in Appendix VII, Classified Professional Growth Program.
10 Professional growth shall not be compounded.

11 Example of calculation of 6.4 and 6.5:

12 LI = Longevity Increment

13 BS = Base Salary (which could include Split Shift and Late Shift Differentials)

14 PGI = Professional Growth Increment

15 Unit member with three Longevity Increments plus two Professional Growth Increments:

16 Pre 12/1/97 Grandfather Clause:

17 Base Salary x 1st LI x 2nd LI x 3rd LI x 10% PGI =Total Salary

18 Post 12/1/97 Appendix VII:

19 Base Salary x 1st LI x 2nd LI x 3rd LI + \$3,000 PGI =Total Salary

20 **6.5.1** Pre 12/1/97 Grandfather Clause: 5% of Base Salary plus longevity per
21 increment, total of 3 increments: 20 semester units each. Units must have been
22 approved in advance on the District form.

23 **6.6 Bilingual Skills Differential:** A full-time unit member whose job classification does
24 not require bilingual skills as a condition of employment and who is responsible for
25 communicating with people in a language other than English (including sign language) and
26 performs this duty on a regular basis, and whose use of this language is a significant benefit
27 to the operation of the District, shall be granted a monthly differential.

28 **a.** Qualified unit members approved by the District shall be granted \$125 per month
29 for verbal bilingual communication skills when required;

30 **b.** Qualified unit members required to perform written translations on a regular
31 basis shall be granted \$175 per month;

32 **c.** This differential shall not be used in situations when only occasional use of
33 bilingual skills is required;

- 1 d. Qualified unit members shall be unit members who have passed the District's
2 bilingual skills tests for verbal communication and/or written translation. The District
3 reserves the right to require periodic testing of qualified unit members to evaluate
4 the rating of the Bilingual Differential. The Bilingual Differential shall be granted by
5 the Superintendent or his designee;
- 6 e. Unit members receiving a Bilingual Skills Differential shall not be required to
7 perform those duties normally assigned to a classification requiring bilingual skills
8 except under circumstances mutually agreed to by the unit member and the District;
- 9 f. Bilingual Skills Differential shall not be paid to unit members whose job
10 classification requires bilingual skills as a condition of employment;

1 **9.13 Temporary Assignments** - When a unit member is temporarily assigned, by the
2 Assistant Superintendent, Human Resources, or designee, to perform the duties of a
3 person in a higher salary range for any period of time which exceeds four (4) working days
4 within a fifteen (15) day calendar period, he/she shall be paid at the higher classification
5 for the entire period during which he/she was required to work out of classification. The
6 pay step on the higher salary range shall be at least 5% over the unit member's regular
7 pay, or Step 1, whichever is greater. Current employees shall have first consideration for
8 temporary assignments rather than substitutes, when feasible.

9 **9.13.1 Summer School and Other Recess work** - The District shall endeavor to
10 assign for service during Summer or a recess period, qualified classified employees
11 for the additional assignment or service. The compensation shall be consistent with
12 Article 9.13.

13 **9.13.2** - Job solicitations shall be contingent upon the needs of the summer

15 the needs of the District.

16 **9.13.3** - No unit member shall be required to work summer assignments unless
17 such a unit member's work calendar overlaps with the summer or recess schedule.
18 If a unit member's calendar overlaps with summer or recess schedule, they shall

20 **9.13.4** - If a member misses 2 days of the assignment, their assignment may be
21 rescinded.

22 **9.14 Shift Differential Premium** - When one-half or more of a full-time (8 hours per day)

1 **ARTICLE 10 - ASSIGNMENTS**

2 **10.1 Definition** - Assignment means an appointment to a position within the bargaining
3 unit. For the purpose of this article, the following definitions shall be in effect:

4 **10.1.1 Transfer** is a change of the unit member's worksite without a change in
5 classification.

6 **10.1.2 Reassignment** is a change from one position or classification to another
7 at the same salary range.

8 **10.1.3 Promotion** is a change in one job classification to another at a higher
9 salary range.

10 **10.1.4 Voluntary demotion** is a change in one job classification to another at a
11 lower salary range.

12 **10.1.5 Promotional Applicant**: A unit member seeking a promotion, who meets
13 the minimum requirements for the position, has passed the required
14 examinations for the position.

15 **10.1.6 Transfer Applicant**: A unit member seeking a transfer in the same
16 classification.

17 **10.2 Unit Member Initiated Change of Assignment** - The District shall interview each
18 qualified unit member submitting an application or transfer request form. At the discretion
19 of the unit member, transfer candidates, may request a transfer by submitting an online
20 application or a transfer request form. In the alternative, at the sole discretion of the District,
21 a candidate who submits a transfer request form may be selected for a vacant position
22 without the position being flown to outside candidates. The District management shall post
23 all known bargaining unit vacancies and e-mail the job posting(s) to the Association
24 Chapter President. In addition, at least three business days prior to the job posting opening,
25 the District shall provide to the Association Chapter President and First Vice President the
26 following information: the position being posted; the hours per day and work calendar for
27 the position; and who will be able to apply for the position (e.g. "open to outside" or "open
28 to current regular employees").

29 **10.2.1** - Vacant positions shall be filled, whenever possible by a qualified unit
30 member applying for the position. Vacant positions shall be filled, within sixty (60)
31 days, whenever possible. No posted vacancies shall be permanently filled until six
32 (6) calendar days after the notice of the vacancy has been posted. If the vacancy
33 is filled by a unit member requesting a transfer or the original posted job
34 subsequently becomes vacated within ninety (90) days of the original selection, this

1 list may be used for selection without posting again for this position.

2 **10.2.2** - Any permanent unit member as defined in Article 11.2 of this Agreement
3 may apply for Transfer, Promotion, Reassignment, or Voluntary Demotion to a
4 posted position by submitting an online application or transfer request form. A
5 newly hired unit member who has not passed his/her initial probationary period is
6 eligible to apply only for other positions in his/her classification, which result in
7 increased hours and/or change of job site.

8 **10.2.3** – Transfer, Reassignment, or Voluntary Demotion shall not affect a unit
9 member's salary increment date, accumulated sick leave, or accumulated vacation.
10 A promotion may affect a unit member's salary increment date.

11 **10.2.4** - Any qualified permanent unit member, who possesses the necessary
12 qualifications, meaning currently employed in the classification or related
13 classification, may be allowed by the District to fill a position where the unit member
14 is on long term leave for more than ninety (90) calendar days. If more than one (1)
15 unit member requests to fill said position, the guidelines set forth in Article 10.3 shall
16 determine the selection. This will give the unit member experience in the position.
17 Upon return of the unit member on leave, both unit members shall return to their
18 original duties.

19 **10.2.5** - The District may allow any qualified unit member who possesses the
20 necessary qualifications, meaning currently employed in the classification or related
21 classification, to temporarily fill a position where the unit member who is assigned
22 to that position is absent.

23 **10.3 Filling Vacancies** - In filling vacancies through Transfer, Promotion, Reassignment
24 or Voluntary Demotion, the following criteria shall be used; process, skills, knowledge,
25 abilities, work habits, job performance and affirmative action goals will be the factors
26 considered for the position. If the above considerations are determined to be equal,
27 preference shall be given to the applicant with the greatest seniority. For the purposes of
28 this Article, "seniority" shall be determined by the unit member's date of hire as defined in
29 Article 18.3.3.

30 **10.3.1** – Interview panels for all classified bargaining unit posted vacancies shall
31 consist of one (1) CSEA representative. CSEA interview panel representatives shall
32 be selected by the District from a list of three (3) CSEA members. All three members
33 on the list must hold or have held a job in the same job family within the past five
34 years, or be a current CSEA Executive Board Member (appointed by the Association

1 President). The Association President or designee shall provide the Human
2 Resources Division with the list by the closing date of the classified job posting. If a
3 list is not provided by the closing date, the District may proceed without a CSEA
4 representative. If the CSEA unit member chosen is not available on the interview
5 date, the District may proceed without a CSEA representative.

6 **10.4 New Positions** - Existing classifications that are newly established in location or
7 department shall be posted not less than six (6) calendar days [ten (10) calendar days for
8 “in-house” only postings] at all work locations prior to filling the vacancies, so that unit
9 members have an opportunity to file requests for Transfer, Promotion, Reassignment or
10 Voluntary Demotion.

11 **10.5 Administrative Transfers** – Transfers of bargaining unit members may be initiated
12 by the District management at any time, except for disciplinary purposes, whenever such
13 transfer is deemed to be in the best interest of the District, as defined by the District
14 management. The unit member affected by such transfer shall be given ten (10) calendar
15 days’ notice, and a conference will be held between the appropriate management person
16 and the unit member in order to discuss the reason for the transfer. Transfer means a
17 change in the unit member's work site without a change in classification.

1 **ARTICLE 11 - EVALUATIONS**

2 **11.1** Evaluations for unit members are meant to be corrective in nature, rather than
3 punitive and not to be used as means of disciplining a unit member, but rather as a means
4 of formal notification of performance, which if deficient, and if the deficient performance
5 continues, may lead to disciplinary action. Evaluation of each permanent and probationary
6 unit member shall be completed by the unit member's supervisor. Permanent unit
7 members shall receive a written evaluation at least, but not limited to, once every twelve
8 (12) calendar months. The District may elect to evaluate permanent unit members who
9 meet all "work performance standards" in prior written evaluations, once every other year.
10 The District shall notify unit members by December 1 if they will not be evaluated during
11 that school year due to meeting work performance standards on the prior year's evaluation.

12 **11.2** Permanent unit members are those defined as having passed their initial period of
13 probationary service. Effective January 1, 2020, the probationary period shall be six (6)
14 months or 130 days of paid service, whichever is longer. Effective January 1, 2020,
15 permanent unit members in a probationary status shall be evaluated at least one (1) time
16 within the first three (3) months or 65 days of paid service, whichever is longer. Unit
17 members, before failing probation in their new classification, must have received an
18 assistance plan and not met the conditions of the assistance plan. Unit members returning
19 back to their prior classification shall be placed in accordance with Article 18 - Layoff and
20 Reemployment.

21 The period of time served in the position to which promoted shall be counted, for seniority
22 purposes, as time served in the classification to which the unit member is being returned.
23 In the event the unit member's former classification (from which the unit member was
24 promoted) does not exist, the unit member shall be eligible to return to any other class in
25 which he/she has achieved permanency. If there is no vacancy in any classification in
26 which the unit member has achieved permanency, the District may make an assignment
27 to a related classification and/or where a vacancy exists and the unit member meets all the
28 qualifications of the existing vacancy.

29 **11.3** Effective January 1, 2020, probationary unit members shall receive at least three
30 (3) evaluations throughout the probationary period. The first evaluation shall be given
31 within the first two (2) working months of the probationary period.

32 Nothing in this Section prevents a probationary unit member from being terminated prior to
33 receiving three (3) evaluations and serving six (6) months or 130 days in their job
34 classification.

1 **11.4** If the supervisor determines that the performance has become less than
2 satisfactory, the supervisor shall complete an assistance plan form to explore the
3 deficiencies and state corrective methods to change these deficiencies, as well as set a
4 time frame in which the deficiencies shall be corrected.

5 **11.5** A unit member shall be evaluated by the District supervisory and/or management
6 employee(s) having immediate supervisory responsibility for the employee. The unit
7 member will meet with the evaluator for a personal evaluation regarding the unit member's
8 job performance. Such evaluation shall be reviewed by the supervisor or a management
9 person at a higher level.

10 **11.6** The unit members' signature indicates only that the unit member has seen the
11 evaluation, and does not necessarily indicate concurrence with the evaluation. Upon
12 completion of the evaluation, the completed form and any attachments are forwarded to
13 the Human Resources Office. The written evaluation and other documents relating to a
14 unit members' work performance shall be filed in the unit member's personnel file in the
15 Human Resources Office.

16 **11.7** The period for evaluation shall be July 1 through June 30. For the annual
17 evaluation, permanent unit members will meet the District evaluator(s) no later than May
18 15th of that school year. Evaluator(s) may schedule evaluations during the school year as
19 long as each permanent unit member is evaluated at least once a year before the May 15th
20 date.

21 **11.8** The unit member shall have the right to submit a written rebuttal to be attached to
22 the evaluation on file. Such rebuttals shall be submitted within ten (10) working days of
23 the evaluation date, with a copy to the evaluator and reviewer.

24 **11.9** The evaluation shall contain an appraisal of the unit member's performance and,
25 as appropriate, commendations or specific suggestions for the improvement of the unit
26 member's performance. Each unit member shall receive a copy of his/her evaluation.

27 **11.10** Judgment of the evaluator shall not be subject to grievance. However, if the
28 evaluator violates one (1) of the specific provisions of this Article, a grievance may be filed
29 concerning that specific violation.

30 **11.11** All evaluations will be made on form(s) provided by the District.

1 **ARTICLE 12 - LEAVE PROVISIONS**

2 **12.1** The benefits which are expressly provided by this Article are the sole leave benefits
3 which are a part of this Agreement. It is agreed that other statutory or regulatory leave
4 benefits are not incorporated, directly or impliedly, into this Agreement, nor are such
5 benefits subject to the grievance procedure, Article 4.

6 **12.1.1** - A "day" as used in this Article shall mean a working day.

7 **12.1.2 - Proration of benefits** - All leaves in this Section shall be prorated based on
8 a full time assignment, "A" work year.

9 **12.1.3 - Immediate Family Defined** - For purposes of Article 12, immediate family
10 member shall be limited to grandparent, parent, sibling, spouse, domestic partner,
11 child, grandchild, including in-laws and any relative or designated person as defined
12 below of the unit member. In the case of extenuating circumstances, the unit member
13 may request approval with the Human Resources Division.

14 a. "Designated person" means any individual related by blood or whose
15 association with the employee is the equivalent of a family relationship. The
16 designated person may be identified by the employee at the time the
17 employee requests the leave. Employees are limited to one designated
18 person per 12-month period for family care and medical leave.

19 **12.1.4 - Notification of Absence** - Unit members are required to notify their
20 supervisors using the District's current absence management system when they are
21 to be absent. If the absence is to be longer than one (1) day, subsequent notification
22 for each day's absence is required unless the duration of the absence can be stated
23 at the time of the notification. Such notification should be made at least two (2) hours
24 before work, if possible, but must be made by the beginning of that unit member's
25 workday. If a unit member must leave after the start of their shift, the unit member
26 shall enter the absence in the current absence management system prior to leaving.

27 **12.2 Sick and Injury Leave** - Full time unit members accrue twelve (12) days sick leave
28 per year. Unit members working less than a full time "A" work year will be prorated in
29 accordance with 12.1.2. In addition, all unit members regardless of their work year shall
30 receive an additional two (2) days sick leave based on the workday. Sick leave for all unit
31 members will be accounted for on an hourly basis. The amount of sick leave a unit member
32 may use at any time is the total amount credited to his/her account, whether or not it has
33 been earned. Sick leave is annually credited to the unit member's account in advance at
34 the beginning of the unit member's work year. A unit member on a continuing long term

1 absence will have the current years sick leave credited to their account on the first day they
2 return from long term leave. If they are unable to return from long term leave, then they
3 will be credited for that portion which has been earned at the end of their long term leave.

4 **12.2.1 - New Unit Member Restriction** - No newly hired probationary unit member
5 shall be allowed to take sick leave in excess of the number of actual days earned
6 during their first six (6) months of employment.

7 **12.2.2 - Use of Sick Leave** - Sick leave is accumulative with no maximum limit set.
8 Unit members may use sick leave for illness or disabling conditions, to visit a doctor,
9 dentist, chiropractor, recognized religious practitioner, or optometrist. Appointments
10 should be made, when possible, at the close of the school day or after regular working
11 hours.

12 a. A unit member may use his/her credited sick leave anytime during the year;

13 b. Unit members who work summer school may utilize any sick leave accumulated
14 to date;

15 c. Sick leave used by a unit member will be charged in one (1) minute increments.

16 **12.2.3 - Overuse of Sick Leave** - A unit member must reimburse the District for any
17 over-use of sick leave in accordance with Article 6.3.2. When a unit member
18 terminates his/her employment with the District, he/she must reimburse the District for
19 any overuse of unearned sick leave. A deduction will be made from the unit member's
20 last pay warrant. If such deduction does not cover the amount due to the District, then
21 the unit member will be required to pay any owed amount.

22 **12.2.5 - Reasonable Health Standard** - The District reserves the right to adopt
23 reasonable health standards as conditions of employment or the continuation thereof,
24 which in the District's judgment, may be necessary to insure the health, safety, and
25 instruction and welfare of students. The Superintendent or Assistant Superintendent,
26 Human Resources, may, when in the District's opinion a unit member's absenteeism
27 rate is such as to affect the learning and the welfare of students concerned and/or job
28 performance of the unit member, require such unit member to provide a written report
29 from a medical doctor verifying the nature and the degree of the illness and also
30 indicating that the unit member is able to assume full responsibilities and duties of
31 his/her assigned position. When a doctor's statement, off-work order, and/or release
32 is requested, the unit member must comply, or his/her salary will be subject to full
33 deduction.

34 **12.2.6 - Sick Leave Exceeds Five (5) Days** - If the illness or injury exceeds five (5)

consecutive days, an off-work-order from a certified medical specialist will be required. The District will make all necessary inquiries in order to be fully informed as to the nature and severity of the illness or injury and to report such findings to the Superintendent or designee. If the report concludes that the absence is not due to personal illness or injury, or that the illness is not sufficiently severe to warrant continued absence, then the Superintendent or designee, after notice to the unit member, may refuse to grant such leave.

- a. Medical release to return** - If the illness or injury exceeds five (5) consecutive days, the unit member will need to submit a medical release in order to return to work.

12.2.7 - Long Term Illness or Accident Leave - When a unit member has exhausted all earned sick leave as provided for in Section 12.2 or 12.7 of this Article and is absent due to a long-term illness or accident, the unit member shall be granted an additional non-accumulated long term sick leave, not to exceed one-hundred (100) days per illness or injury. Under no circumstance may an employee exceed one-hundred (100) days long term illness or injury leave per school year. The conditions for this leave are as follows:

- a.** Long-term illness leave shall be paid at fifty-percent (50%) of the unit member's regular rate of pay;

- b.** The unit member shall be required to submit an attending physician's verification of illness and off-work order in order to receive long term illness leave. Periodic medical reports may be required during the period of long term illness leave. Receipt of benefits under this Section (12.2.7), may be conditioned upon certification of disability from a District appointed physician;

- c.** While on paid leave, the unit member shall continue receiving benefits as he/she did prior to the leave.

12.2.8 - Use of Vacation for Sick Leave - A unit member may use accumulated vacation time as sick leave upon written request to, and with the approval of, the Assistant Superintendent, Human Resources or designee.

For unit members who accumulate vacation time, upon written request, the District will coordinate a unit member's accumulated earned vacation time with the half-time sick leave benefit to keep the unit member in a full pay status until all vacation is exhausted.

If a unit member is unable to return to work upon the exhaustion of all paid leave,

1 he/she will be placed on the 39 Month Rehire list. (Accumulated vacation leave will
2 be paid according to Article 13.10).

3 **12.2.9 - Medical Examination** - The District may require that the unit member submit
4 to a physical examination by a qualified medical doctor that is selected by the District.
5 The cost of such examination will be paid by the District.

6 **12.3 Personal Necessity Leave** (Charged to Sick Leave) - Leave which is credited
7 under 12.2 (sick leave) of this Article may be used for purposes of personal necessity
8 provided that use of such leave does not exceed seven (7) days in any school year or the
9 amount of sick leave to which the unit member is entitled.

10 **12.3.1** - Limitation for purposes of this provision, personal necessity shall be limited
11 to:

15 property, or the person or property of a unit member's immediate family as
16 defined in 12.1.3;

18 earthquakes), or other items allowed at the discretion of the Superintendent
19 or designee, provided that under no circumstances shall leave be available
20 for purposes of personal convenience or for the extension of a holiday or
21 vacation period, or for matters which can be taken care of outside the work
22 hours, or for recreational activities;
- 23 d. **Parent conference** - Unit members with school age children may attend,
24 during their regular work day, parent conferences and/or regularly
25 scheduled school activities such as awards assemblies, I.E.P. meetings,
26 academic decathlons, graduations, and academic field trips in accordance
27 with the provisions of AB 2590, effective September 1, 1994, not to exceed
28 eight (8) hours a month and forty (40) hours a year.
29 For the purposes of this Article, "regularly scheduled school activities" shall
30 not include recreational field trips such as camping and theme park trips; or
31 extra-curricular activities such as sporting events, tournaments, post-
32 secondary or university activities, proms and school dances, pep rallies,
33 parades, school parties, or carnivals.
- 34 e. **Personal Business** – Unit members may not use more than three (3) annual

1 of the seven (7) personal necessity days for personal business.
2 Determination of what constitutes personal business for a given unit
3 member shall be the responsibility of the unit member. Such leave shall not
4 be used for any of the following purposes:

11 management system, from the Superintendent or designee, except for cases of death
12 and accident. In the case of death or accident, the unit member shall make every
13 effort to comply with District procedures to enable the District to secure a substitute.

14 **12.3.3 - Vacation or Leave** - Personal necessity leave shall not be granted during a
15 scheduled vacation or other leave of absence.

16 **12.3.4 - Certification of Supervisor** - Payment of such absence shall be made only
17 upon certification by the unit member's administrator or supervisor that the absence
18 was due to a situation designated as a personal necessity within the meaning of this
19 Article.

20 **12.4 Bereavement Leave** - Upon the death of any member of his/her immediate family, **as**

34 the use of family illness leave.

- 1 **12.6 Leave for Pregnancy Disability** (Charged to Sick Leave)
- 2 **12.6.1** - Unit members are entitled to use sick leave as set forth in Section 12.2 for
- 3 disabilities caused or contributed to by pregnancy, miscarriage, childbirth and
- 4 recovery therefrom on the same terms and conditions governing leaves of absence
- 5 from other illness or medical disability. Such leave shall not be used for childcare,
- 6 child rearing, or preparation for child bearing, but shall be limited to those disabilities
- 7 as set forth above. The length of such disability leave, including the date on which
- 8 the leave shall commence and the date on which work duties are to be resumed, shall
- 9 be determined by the unit member and the unit member's physician; however, the
- 10 District will require a written verification of the extent of disability through a physical
- 11 examination of the employee by a physician.
- 12 **12.6.2** - Unit members are entitled to leave without pay or other benefits for disabilities
- 13 caused because of pregnancy, miscarriage, childbirth or recovery therefrom when

- 16 on leave and the unit member's physician; however, the District will require a written
- 17 verification of the extent of disability through a physical examination of the employee
- 18 by a physician.
- 19 **12.6.3** - The unit member on leave for pregnancy disability shall be entitled to return

26 if the unit member is not medically able to assume the duties of his/her position, the
27 unit member shall be placed on the 39-Month re-employment list. A unit member who
28 has been placed on the 39-Month re-employment list, who has been medically

16 required military service, return to work according to applicable law.

17 **12.9.2** - Such absence shall not adversely affect in any way the status,
18 classification, or position of the unit member. In the case of probationary unit
19 members, the period of such absence shall not count as part of the service required
20 as a condition precedent to the classifying of such employee as a permanent
21 employee of the District, but such absence shall not be construed as a break in the
22 continuity of the service of such an employee. If the employee chooses within twelve
23 (12) months of returning to make-up his/her defined retirement contributions missed
24 while on military leave, the District shall make the appropriate matching contribution,

28 **12.12.2** - The application for such leave of absence shall be in writing and must be
29 submitted to Human Resources within five (5) calendar days prior to the beginning
30 of the leave. The request shall be placed on the Board of Education agenda for
31 consideration. In addition, a unit member on such leave shall notify the District
32 Human Resources Office at least thirty (30) days prior to the expiration of the
33 granted leave of an intent to return to employment in the District. Failure to notify
34 will be considered an abandonment of position.

1 **12.13 Reinstatement After Leave** - A unit member who receives a leave of absence
2 does so with the understanding that, when he/she returns to active assignment at the
3 completion of the leave, he/she is not guaranteed placement at the same location or in the

5 same classification according to the needs of the District.

6 **12.14 Unauthorized Absence from Duty**

7 **12.14.1** - A unit member, absent from his/her assignment for any reason other than

11 **12.14.2** - Improper use of any leave may be cause for disciplinary action or
12 dismissal and will result in recovery of any over-payment. An extended absence
13 from duty which does not qualify under any authorized leave policy may be
14 considered abandonment of position.

15 **12.14.3** - More than five (5) consecutive days of unauthorized absence from duty
16 shall be considered an extended absence.

17 **12.15 FMLA/CFRA - Family Medical Leave Act/California Family Rights Act** –
18 FMLA/CFRA leave provides twelve (12) weeks of unpaid leave for unit members who have
19 completed a full year with a minimum of 1250 hours of service in the prior twelve (12)
20 months. Leave under this Article shall entitle the unit member to all benefits of employment,
21 except for salary, on the same basis as if the employee were not on leave. If the unit
22 member fails to return from leave, for a reason other than the continuation, recurrence, or
23 onset of a serious health condition, then the unit member shall reimburse the district for
24 premiums paid to maintain group health benefits. It is the intent of the parties that this
25 Section be consistent with the State and Federal provisions governing Family Medical
26 Leave, and it shall be interpreted so that there will be no violation of these statutes.

27 There will be no more than twelve (12) weeks of FMLA leave granted for any one (1)
28 qualifying event, this includes both spouses. Leave may be taken in multiple segments of
29 time if used for medical necessity as certified on the FMLA leave application. Except in
30 case of emergency, FMLA leave should be arranged thirty (30) days in advance.

31 **12.15.1 - Personal Illness** - Personal illness requires a physician's off work order
32 and runs concurrent with one-hundred (100) day long-term illness leave.

33 **12.15.2 - Family Illness** – “Family” is defined in Section 12.1.3 of this Article.
34 Family illness requires medical certification on the District's FMLA Seriously Ill

1 Family Member request form. All available paid leaves such as personal necessity
2 and family illness leave must be used as part of the twelve (12) weeks of family
3 medical leave.

4 **12.15.3 - New dependent care** [Birth, Adoption, or Placement of a foster child] -
5 Dependent care leave requires certification of new dependent on the District's
6 FMLA Leave Request for New Dependent form. Leave must be taken within one
7 (1) year of new dependent arrival. If not taken immediately following the qualifying
8 event, the leave must be arranged in advance with the supervisor's approval so as
9 to least interrupt the educational process. The unit member may take the leave in
10 two (2) segments.

11 **12.15.4**— Serious illness or injury sustained in the line of duty by a military service
12 member who is the spouse, child, parent, or next of kin of the employees (FMLA)

1 **ARTICLE 13 - VACATIONS**

2 **13.1** All unit members shall earn paid vacation time from the beginning date of service.
3 Vacation benefits are earned on a monthly basis. Unit members shall be entitled to take
4 vacation leave after the completion of six (6) months of service.

5 **13.2** Unit members with a work year of less than twelve (12) months will be paid for
6 earned vacation. The amount will be averaged into the equal payments for their particular
7 work years.

8 **13.3** Twelve-month unit members will normally take their vacation during school
9 recesses (winter, spring, and summer recess) as scheduled and approved by their
10 immediate supervisor. At the discretion of the District, some unit members may be required
11 to take their vacations at times other than those listed above. Vacations will be scheduled
12 at the convenience of the District and as nearly as possible at the convenience of the unit
13 member. All vacation requests must be submitted in the absence management system
14 five (5) working days in advance, when possible, and are subject to approval of the unit
15 member's immediate supervisor, subject to final approval of the Assistant Superintendent,
16 Human Resources. This decision shall be given to unit members within two (2) working
17 days upon receipt of the vacation request. Failure to respond to a vacation request
18 constitutes an approval. Where an employee is denied vacation, the District shall provide
19 a written reason. If the employee believes the reason is not justifiable, the unit member
20 may appeal to the Human Resources Division. Except in emergency situations, the District
21 will notify 12-month unit members at least 90 calendar days before the required vacation.

22 **13.4** A unit member may take vacation before it is actually earned when such is
23 expressly approved by the unit member's supervisor and the Assistant Superintendent,
24 Human Resources.

25 **13.5** If a holiday occurs within a scheduled vacation period of a unit member, that day
26 will be counted as a paid holiday and not as a day of vacation. If a unit member becomes
27 ill during his vacation, he should notify his supervisor immediately. The duration of the
28 illness may then be charged against his sick leave, not against his vacation leave. A
29 statement from a physician may be required.

30 **13.6** Vacation is accrued, as earned, by unit members in accordance with the schedule
31 set forth below. The schedule is premised on a twelve (12) month work year and eight (8)
32 hours per day. Unit members whose assignment is less than twelve (12) months and/or
33 less than eight (8) hours per day shall earn paid vacation each fiscal year proportional to
34 the full work year.

1 **13.6.1** - Unit members from the first year through the fourth year of service earn
2 vacation time at the rate of one (1) day of vacation for each month of service.

3 **13.6.2** - Commencing with the fifth year of service, the unit member shall earn
4 vacation time at the rate of one-and-one-fourth (1.25) days for each month of
5 service.

6 **13.6.3** - Commencing with the tenth year of service, the unit member shall earn
7 one-and-one-half (1.5) days for each month of service.

8 **13.6.4** - Effective July 2, 2009, commencing with the fifteenth year of service, the
9 unit member shall earn 1.67 days for each month of service (20 days per fiscal
10 year).

11 **13.6.5** - Effective July 1, 2010, commencing with the twentieth year of service, the
12 unit member shall earn 1.83 days for each month of service (22 days per fiscal
13 year).

14 **13.7 Computation of Proportional Vacation Earnings** - For purposes of computing
15 part-time employee vacation earnings, a full year is defined as 2,088 hours, based upon
16 21.75 working or holiday days per month, which is 174 hours per month. Therefore, total
17 annual hours in regular paid status as related to 2,088 hours shall determine proportional
18 vacation earnings for unit members assigned less than eight (8) hours daily for twelve (12)
19 months.

20 **13.8 Determining Year of Employment** - For purposes of determining years of
21 employment, the first year of employment shall be from initial employment until the first
22 anniversary date. All subsequent years shall be determined in accordance with salary step
23 placement each anniversary date. However, a change in classification, which results in a
24 reduced step placement on a higher range shall not impair years of service advancement
25 for purposes of determining earned vacation.

26 **13.9** Unit members working less than twelve (12) months will be paid for their earned
27 vacation days, averaged over the employee's number of pay periods. An employee who
28 does not complete the work year in a paid status may have to repay vacation. Computation
29 will be made at time of separation.

30 **13.10** When a unit member is separated from employment for any reason, the unit
31 member shall be entitled to vacation earned and accumulated in accordance with 13.13 of
32 this Article.

33 **13.11** Pay for vacation days for unit members shall be the same as that which the unit
34 member would have received had he/she been in his/her normal work status.

- 1 **13.12** Vacation may be taken in thirty (30) minutes increments.
- 2 **13.13** Earned vacation for twelve (12) month unit members will be credited to the unit
- 3 member's record at the end of each month. Twelve (12) month unit members may not
- 4 accumulate more than a maximum number of days of vacation equal to two (2) years of
- 5 earned vacation as of June 30.
- 6 The District will pay twelve (12) month unit members for any earned and accumulated
- 7 vacation pay equal to two (2) years earned vacation at the time of separation of
- 8 employment with the District. (See Example 1.)
- 9

Example 1			
MAXIMUM	June 30, 2012-2013	June 30, 2013-2014	Current Year 2014-2015
12 month unit members with 10 years service	18 days (+18)	36 days maximum	Current year must use vacation unless denied by District. Any days denied by District in excess of the maximum accumulation shall be paid. As of June 30, unit members cannot have more than 36 days (288 hours).

- 10 Effective July 1, 1994, if a unit member has been denied from using vacation credit as a
- 11 result of the needs of the District, the District will pay for all denied days in excess of the
- 12 maximum accumulation. It shall be the responsibility of the unit member to produce
- 13 evidence of such denial.

3 by the District.

4 **18.2 Notice of Layoff**

5 **18.2.1** - "Layoff for lack of funds or lack of work" means a layoff, reduction in hours,

6 or demotion in lieu of layoff.

7 **18.2.2** - "Classification" means that each position in the classified service shall have

8 a designated title, a regular minimum number of assigned hours per day, days per

9 week, and days per year, a specific statement of the duties required to be performed

10 by the employees in each such position, and the regular monthly salary ranges for

11 each such position.

12 **18.2.3** - Upon the decision of the District to reduce the number of positions or the

13 hours of positions in the classified service of the District, written notice of layoff shall

14 be sent by certified mail or delivered in person to the affected unit member(s) by the

15 District.

16 **18.2.4** – Layoffs shall be conducted in accordance with Education Code section 45117

17 unless the layoff is being conducted in accordance with Section 18.2.5 below. No

18 later than March 15, the District shall send written notice of layoff to the affected

19 permanent unit member(s) and the Association that the unit member's services will

20 not be required for the ensuing school year and informing the unit member and the

21 Association of his/her displacement rights, if any, and reemployment rights. Any

22 notice of layoff shall specify the reason for layoff.

23 **18.2.5** – Notwithstanding Section 18.2.4, when classified positions must be eliminated

24 as a result of the expiration of a specially funded program, the employees to be laid

25 off shall be given written notice not less than 60 days prior to the effective date of their

26 layoff informing them of their layoff date and their displacement rights, if any, and

27 reemployment rights. Additionally, layoffs may be conducted in accordance with

28 Education Code section 45117(d) when that section applies.

29 **18.2.56** - Nothing herein provided shall preclude a layoff for lack of funds in the event

30 of an actual and existing financial inability to pay salaries of classified employees,

31 nor layoff for lack of work resulting from causes not foreseeable or preventable by

32 the governing board, without the notice required herein.

33 **18.3 Order of Layoff and Bumping:**

34 **18.3.1** - The order of layoff of unit member(s) shall be determined by seniority within

1 the affected classification. Seniority is determined by date of hire in a classification,
2 including time employed in a higher classification, if applicable. The unit member with
3 the least seniority in the affected classification shall be laid off first. Bargaining unit
4 members who are subject to layoff shall have the right to exercise bumping rights into
5 a classification previously held by the unit member, providing that the classification
6 into which he/she is bumping is equal to or lower than the classification currently held.

7 **18.3.2** - Unit members desiring to exercise their option to "bump" shall submit their
8 request in writing, via certified mail, or personal delivery to the Human Resources
9 Division within a ten (10) calendar day period from the date the notice of layoff was
10 personally served or mailed or the date of the postmark on the envelope if the letter
11 is returned marked "not claimed" by the Post Office.

12 **18.3.3** - **Seniority - Date of Hire**: For purposes of this Article, date of hire(s) shall mean
13 the first date of paid service as a classified unit member in a classification(s). Date of
14 hire shall not be interpreted to mean any service performed prior to entering into
15 probationary status in the classified service of the District.

16 **18.3.4** - In the case of two (2) or more unit members having the same seniority date,
17 the order of layoff of such unit members shall be determined by lot.

18 **18.4 Employment Procedure:**

20 reemployment list. The unit member shall be required to maintain his/her current
21 address with the District Office. Unit members who take voluntary demotion or
22 voluntary reduction in assigned time in lieu of layoff shall be placed on a sixty-three
23 (63) month reemployment list.

24 **18.4.2** - If, during a unit member's eligibility period for reemployment, a classification
25 becomes vacant, in which he/she has previously served as provided in Section
26 18.3, the District shall send written notice by certified mail to the last known address
27 of the affected unit member(s) offering reemployment in order of seniority.

28 **18.4.3** - The unit member(s) shall notify the District in writing of his/her intent to
29 accept reemployment within ten (10) calendar days following the date notice was
30 mailed. Failure to do so shall be deemed a rejection of the offer of reemployment.
31 After two (2) rejections, the unit member shall be deemed to have waived his/her
32 reemployment rights and shall be removed from the reemployment list. A
33 declination of a position of lesser hours or lower salary range shall not be deemed
34 a rejection.

1 **ARTICLE 19 - PERSONNEL FILES**

2 **19.1** The personnel file of each unit member shall be maintained at the District Human
3 Resources Office. Such file shall be available for inspection by the unit member or a
4 representative of the Association upon written authorization from that unit member. Copies
5 of materials in the unit member's personnel file may be obtained by the unit member for a
6 nominal fee (20 cents per individual sheet). A minimum of three (3) days advance notice
7 must be given the Human Resources Office for copies of material in the unit member's
8 personnel file.

9 **19.2** Access to personnel files shall be limited to the members of the District
10 administration, management, and supervisors on a need-to-know basis. Board of Education
11 members may request to review a unit member's personnel file in a Personnel Session of a
12 Board of Education meeting. A form shall be attached to the front of each file whereon the
13 person reviewing the file shall put his/her signature, the date, and purpose for reviewing the
14 file each time the file is reviewed. Neither the provision on adding material nor reviewing a
15 file shall apply to members of the Human Resources Office when they are performing the
16 regular functions of their jobs. The contents of all personnel files shall be kept in the strictest
17 confidence.

18 **19.3** Any person who places written material or drafts written material for placement in the
19 unit member's file shall sign the material and indicate the date on which the material was
20 drafted.

21 **19.4** Information of a derogatory nature shall not be entered or filed until the employee is
22 given a copy of said material with the opportunity to review and comment thereon. A unit
23 member shall have the right to enter or have attached his/her own comments to any
24 derogatory statement.

25 **19.5** The unit member may review his/her personnel file during normal business hours
26 of the Human Resources Office. The employee may be released from duty during normal
27 working hours for this purpose without salary deduction. However, the unit member must
28 make an appointment, in advance, with the Human Resources Office to arrange a specific
29 time for reviewing his/her personnel file.

2 **20.1** All orientation and in-service training of unit members shall be conducted during the
3 period designated by the Board of Education as the workday and work year for those unit
4 members involved.

5 **20.2** The hours of service for unit members on days designated for orientation or in service
6 training activities shall be at the same rate of pay as if the unit member was at the job site in
7 accordance with article 9.2.1 to 9.2.2.

8 **20.2.1** Supervisors shall meet with new employees (either new to the district or
9 transfers to the site) to review general workplace expectations.

10 **20.3** The District will provide in-service training programs, where appropriate, with the
11 purpose of enhancing the skills, knowledge, or abilities of the unit members in their current
12 jobs. Attendance at such in-service training programs is mandatory and failure to attend will
13 result in appropriate disciplinary action.

1 **ARTICLE 28 – TRANSPORTATION EMPLOYEES**

2 **28.1 Transportation Hours** – Unit Members will be paid based upon bid time each
3 regular school year. Bus drivers hired will be guaranteed a minimum of seven (7) hours of
4 pay per day.

5 **28.1.1 - Contract Work** - In accordance with California Education Code section
6 45301.1 and District Board Policy 3312, the parties agree that during the term of
7 this Agreement, the District agrees it will not contract out work that has been
8 customarily performed by bargaining unit positions unless it is negotiated with
9 CSEA.

10 **28.1.2 In-Service Training:** All mandatory training required by the District shall
11 be paid (in accordance with article 9.2.1 to 9.2.2). Up to ten (10) hours per school
12 year, of In-service training shall be provided by the District in order for
13 Transportation Employees to retain their certificates. Employees shall receive pay
14 at the appropriate rate for time spent in District training. In-Service training shall
15 be scheduled by the supervisor.

16 **28.1.3 Pre-trip Training:** All preparation that pertains to pre-trip training for
17 recertification with CHP shall be compensated by the District, within the last year
18 of employee school bus certificate validity, to be approved by the supervisor.

19 **28.2 Bus Driver Hours**

20 **28.2.1 - Sign On Time** - Unit members will be provided a five (5) minute on-duty
21 sign-on time for their first morning sign-on only. At all other sign-on times, unit
22 members shall start their work time at their bus. Unit members shall continue to
23 notify Transportation of their arrival at work by signing in before each scheduled
24 work period. Unit members shall not conduct or allow personal business to interfere
25 with their pre-trip bus inspection or adherence to their route schedules.

26 **28.2.2 - Pre Trip Bus Inspection and “Sweep Time” (Interior Cleaning)** - Unit
27 members will be provided adequate on-duty time each morning to perform a pre-
28 trip bus inspection. They will also be provided adequate on-duty “sweep time” at
29 some point during their workday as indicated below:

30 <u>Bus Type</u>	30 <u>Pre-Trip</u>	30 <u>“Sweep Time”</u>
31 Transit	31 20 minutes	31 10 minutes
32 Conventional (Special Ed)	32 25 minutes	32 10 minutes
33 Mini (Vans)	33 5 minutes	33 5 minutes

1 **28.2.3 - General Bus Cleaning** - Unit members shall use their on-duty “layover”
2 (non-driving) time between school runs and field trips to perform needed bus
3 cleaning. Subject to pre-approval and inspection, unit members may submit a “Bus
4 Cleaning Request Form” at anytime their bus needs additional cleaning that cannot
5 be completed during their “sweep” and/or “layover” time.

6 **28.3 - Assigning of Bus Routes** - The District shall determine the routes, bus and driver
7 assignments to maintain the efficiency of the District’s operations. Regardless of any other
8 provisions in this Section, the District shall retain the right to assign any bus or route to any
9 unit member. All bus routes are subject to change throughout the year.

10 Before the beginning of each traditional school year, unit members will be allowed to bid
11 on their routes based on their date of hire in class and the capacity of their assigned bus.
12 If a unit member is unavailable to bid on the date selected by the District, the unit member
13 may select a proxy to bid on their behalf. If no proxy is selected, the District will assign the
14 route(s) with the most available daily hours to the unit member.

15 Unit members may bid on a route or a combination of routes made available by the District,
16 not to exceed seven (7) hours and forty-five (45) minutes per day. Other assignments may
17 be added to the route(s) such as fueling, new assignments, returning students, etc., that
18 may require a unit member to work up to eight (8) hours per day. However, the District will
19 reassign any route assignment(s) that cause a unit member to exceed eight (8) hours per
20 day.

21 Unit members who bid on route(s) that decrease by more than 2.5 hours per week because
22 of class closings or a permanent reduction in the student count, will be offered other
23 assignments so the affected unit member’s weekly average is maintained within 2.5 hours
24 of their original weekly bid. This may require the District to offer the affected unit member
25 short notice/extra work assignments and/or field trips out of rotation and before any other
26 unit member. It may also require the unit member to drive a bus with a different capacity.

27 In the event the District cannot provide the affected unit member weekly assignments within
28 2.5 hours of their original weekly bid, the unit member will have additional runs or routes
29 added to their assignment from the least senior unit member. If the assignments of the
30 least senior unit member do not fit in with the affected unit member’s current assignment(s),
31 or if the change would cause the least senior unit member’s assignment to go below four
32 (4) hours per day, it may require the affected unit member to change buses/routes or it may
33 require the District to go to the next least senior unit member(s), and so on, until additional
34 runs or routes from one (1) or more of the least senior unit members are determined to fit

1 in with the affected unit member's assignment(s). The affected unit members may also
2 request not to have new assignments added as indicated above and continue with fewer
3 hours on their existing assignment(s).

4 **28.4 – Additional Assignments**

5 **28.4.1 - Assigning of Field Trips** - The District shall assign field trips to unit
6 members to maintain the efficiency of the District's operation using the guidelines
7 set forth in this Article. Regardless of any other provisions in this Section, the
8 District shall retain the right to assign any field trip or extra assignment on the same
9 basis and for the same reasons as it has in the past.

10 **28.4.1.1 - Notice** - The Field Trip Assignment Log will be posted each Thursday
11 or sooner for the following week's trip assignments. Unit members shall be
12 required to cover any field trip assigned to them on the log. It is the responsibility
13 of each unit member to check the log for his or her assignment(s). Unit members
14 will be notified via their mailbox of any changes or additions to the "current"
15 week's Field Trip Assignment Log. Except for emergency situations,
16 unanticipated trips that are assigned with less than twenty-four (24) hours notice
17 may be declined (or weekend trips with less than 48 hours notice may also be
18 declined). If an assigned trip poses a hardship, a unit member may request a
19 trip reassignment, subject to coverage availability and the Transportation
20 Department's approval. Insofar as practicable, at least three (3) unit members
21 will be offered the declined trip and/or reassignment request prior to a Substitute
22 Bus Driver receiving the assignment(s).

23 **28.4.2 - Short Notice/Extra Work Assignments** - Unit members available to cover
24 short notice (less than twenty-four (24) hours) and/or extra work assignments will
25 be assigned from a sign-up sheet that will be posted each Friday for the following
26 week's assignments. Unit members may sign-up for one (1) or more days each
27 week and they shall be required to cover any and all extra work assignments they
28 receive. Any unit member who does not accept any and all extra work assignments
29 on a day they indicated that they were available, will not receive any short notice
30 and/or extra work assignments for five (5) working days. Insofar as practicable, at
31 least three (3) unit members will be offered the assignment(s) prior to a Substitute
32 Bus Driver receiving the assignment(s).

33 **28.4.3 - Night and Weekend Trips** - All unit members shall be required to cover
34 night (returning after 8 p.m.) and weekend trips. The Transportation Department

1 will maintain a count of the number of trips each unit member completes. These
2 assignments will be rotated among all unit members. The actual number of
3 assignments per unit member will vary and depend on the number of trips
4 requested by schools.

5 Insofar as practicable, unit members will be offered the weekend trip prior to a
6 substitute bus driver receiving the assignment(s).

7 **28.4.4 - Six (6) or More Hour Trips** - The Transportation Department will maintain
8 a count of the number of six (6) or more hour trips each unit member completes.
9 These assignments will be rotated among all unit members. The actual number of
10 assignments per unit member will vary and depend on the number of trips
11 requested by schools. If the trip is assigned as a “drop and return” unit members
12 may request to remain at the site.

13 Unit members who are approved to remain at the site will have one of the following
14 two options: 1) will be paid for the time they would have traveled; 2) shall spend
15 their standby time at the field trip location cleaning their bus and will be paid for the
16 time that has been approved at the regular or overtime rate as appropriate. The
17 unit member’s bus shall be subject to inspection upon return to the Transportation
18 Yard.

19 **28.4.5 - Mountain Trips** – The Transportation Department will maintain a count of
20 the number of mountain trips each unit member completes. These trips will be
21 rotated among qualified unit members. The actual number of assignments per unit
22 member will vary and depend on the number of trips requested by schools.

23 **28.4.6** – For the purpose of this section, the District shall post and maintain three
24 separate extra duty lists: 1) a weekday extra assignment list; 2) a weekend
25 assignment list; and 3) a mountain driving list for those who qualify.

26 **28.5 Drug and Alcohol Testing for Transportation Employees** - This Section is
27 adopted to implement the drug and alcohol testing requirements of the Omnibus
28 Transportation Employee Testing Act of 1991. It is the intent of both parties, the District
29 and CSEA, to comply with all Federal Regulations connected with this act.

30 Effective January 1, 2020, all Transportation Employees shall register with the Federal

No test shall be given if the test is not administered within eight (8) hours from the time of the accident. 2 using a computer based random number generator, employees could
3 be selected by assigning each employee a number; such as an
4 employee identification number or social security number). Under the
5 selection procedure used, each employee in this class shall have an
6 equal chance of being tested each time selections are made.
- 7 **5.** Any employee in this class selected for alcohol and/or controlled
8 substance testing shall immediately report to the test site. However, if the
9 employee in this class is performing a safety sensitive function, the
10 District shall ensure that the employee in this class ceases such function

13 work shift, just before the beginning of the employee's work shift, or at
14 the end of the employee's work shift.
- 15 **d. Reasonable Suspicion Testing:**
- 16 **1.** Whenever a supervisor or District official, who has been trained in

18 in this class is in violation of the prohibitions set forth in this Agreement,
19 the employee in this class shall be required to submit to an alcohol
20 and/or controlled substance test. Such reasonable suspicion must be
21 based on the supervisor or District official's specific, contemporaneous,
22 articulable observations concerning the employee's appearance,
23 behavior, speech or body odors made just prior to the beginning of the
24 employee's work shift, during the employee's work shift, or at the end of
25 the employee's work shift.
- 26 **2.** All alcohol tests should be conducted within two (2) hours from the
27 time a reasonable suspicion finding is made. In no event shall such
28 alcohol testing be conducted after eight (8) hours from the time a
29 reasonable suspicion finding is made. In the event that such an alcohol
30 test is not administered within two (2) hours or within eight (8) hours, the
31 District shall prepare a file record indicating the reason(s) why the
32 testing was not promptly administered.
- 33 **3.** After making a determination that there is a reasonable suspicion that
34 an employee in this class may be in violation of this Agreement, the

1 supervisor or District official who made the determination shall prepare
2 a written report setting forth the observations made which led to the
3 reasonable suspicion. This report must be prepared within twenty-four

14 3. An employee in this class whose conduct involves violations of the
15 controlled substance provisions of this Agreement shall not be permitted
16 to return to duty until s/he submits to a controlled substance test and
17 such test result is a negative result for controlled substance use.

18 **f. Follow-Up Testing:**

19 1. An employee in this class who violates the provisions of this
20 Agreement and is subsequently identified by a substance abuse
21 professional as needing assistance in resolving problems associated
22 with alcohol misuse and/or use of controlled substances, shall be
23 subject to unannounced alcohol and/or controlled substance testing.
24 Such testing shall be conducted as directed by a substance abuse
25 professional only when the employee is on duty in a safety sensitive
26 function, just before the beginning of the employee's work shift, or at the
27 end of the employee's work shift.

28 **28.5.5 - Records**

29 **a.** The District shall maintain all records as required pursuant to Title 49 of
30 the Code of Federal Regulations, part 382.401.

1 to obtain copies of any records pertaining to the employee's use of alcohol or
2 controlled substances, as well as any records pertaining to his or her alcohol
3 or controlled substance tests.

4 d. The District shall make an employee's record available to a subsequent
5 employer only upon the receipt of a written request from the employee and
6 only to the extent expressly authorized by the terms of the employee's
7 request.

8 **28.5.6 - Training for Supervisors** - The District shall ensure that each supervisor
9 or other appropriate District official responsible for determining whether reasonable
