

Welcome to Third Grade

Welcome! My name is Mrs. Lopez and I am so excited to be your child's third-grade teacher this year! I can't wait to get to know each student and build a classroom where everyone feels welcome, supported, and excited to learn.

Third grade is an exciting year filled with new challenges, growing independence, and lots of opportunities to learn. Together we'll read wonderful stories, solve problems, explore new ideas, and celebrate each success along the way. I believe every child can learn and thrive when they feel safe, encouraged, and valued.

I am looking forward to partnering with you to make this a fun, successful, and memorable school year. Thank you for trusting me with your child. I can't wait to meet everyone and begin this exciting adventure together!

Here's to an amazing third-grade year!
