Year 11 Curriculum Overview: German

Rationale: Students will study the remaining content modules from the PEarson **GCSE** course. Through the revision programme, they will be confident in creating sentences about all six units in three tenses and be able to give personal opinions on each topic. They will be able to describe photos linked to each unit and they will be able to answer role play questions based in a variety of scenarios. They will recognise additional tenses in reading and listening, and Higher Tier students will be able to create their own sentences in these tenses too.
