

Options for Students Who Fail to Earn a Standard High School Diploma

Earn Your Florida High School Diploma- Multiple Pathways, One Goal

Adult High School

Test Prep Program

- Prepare for success on the FAST, SAT, ACT, and CLT exams with focused instruction in Reading and English skills
- Designed for graduates who have completed 18–24 required credits but still need to meet assessment requirements
- Strengthen critical reading, grammar, and test-taking strategies to improve exam performance

Credit Completion Program

- Available for students who have passed both graduation assessments, but need additional credits for graduation.

Career Education and Certificate Program

- In Florida, students who met all the requirements to receive a standard diploma but do not achieve the required GPA or do not pass the required state assessments are eligible to enroll in career certificate programs.

Visit for more information regarding our Career Certificate Programs visit careerspbc.com.

The GATE Program

- GATE provides a pathway to earn valuable career education credentials while also completing a standard high school diploma or its equivalent.
- Through the GATE program, students can simultaneously enroll in a Career and Technical Education Program while working toward their Adult High School Diploma or GED®.
- GED® students ages 16-21 may qualify to attend one of our career technical education programs at our West Technical Education location.

For more information on the GATE Program and eligible career programs contact West Technical Education Center (561)-829-4620 or
palmbeachschools.org/westtechnicaleducationcenter

It is important to contact your school counselor for specific requirements for each program. Because institutions can set their own specific entry requirements, it is crucial to check with the program in which you are interested.
