

Community Eligibility Provision (CEP) Meal Program

Sweeny ISD Elementary Campus is pleased to announce that we will continue participating in the Community Eligibility Provision (CEP) for the 2026-2027 school year through the National School Lunch Program and School Breakfast Program.

*The CEP program allows all enrolled students at Sweeny ISD Elementary Campus to receive a healthy breakfast and lunch at **no cost** each school day. Families will not need to complete free and reduced-price meal applications for the 2026-2027 school year.*

By participating in CEP, Sweeny ISD is able to reduce paperwork for families and school staff while ensuring that all students have access to nutritious meals that support learning and success.

We encourage all students to take advantage of this opportunity and enjoy the healthy meals provided through our Child Nutrition Program.

For questions regarding the CEP program or school meals, please contact the Sweeny ISD Child Nutrition Department.
