To Marianapolis Prep School families,

At boarding school, your student is balancing academics, athletics, and a full campus life; laundry shouldn't be another responsibility on their plate.

For the 2026–27 academic year, Marianapolis Prep is proud to partner with E&R – The Campus Laundry to provide a reliable, professional laundry and dry-cleaning service designed specifically for boarding students.

With over 100 years of experience, including almost 24 years serving Marianapolis Prep, E&R ensures your student's clothing and linens are cleaned weekly and returned ready to wear; eliminating missed laundry days, lost items, and unnecessary stress.

Our plans offer exceptional value. For about the cost of one or two dry-cleaned items per week, your student's entire laundry is handled. Select plans include **unlimited dry cleaning and gentle care**, so uniforms, dress clothes, and other more delicate items are always pressed, and ready to wear.

All items are cleaned in a sanitary, eco-friendly facility using non-toxic solutions, reducing our carbon footprint while providing superior care that protects fabrics and extends garment life.

Most importantly, this service gives your student back **80–100 hours each year**—time better spent on academics, activities, and personal growth. Families consistently report less stress, improved organization, and greater student confidence.

Enrollment is quick and easy at TheCampusLaundry.com. Early sign-up includes limited-time savings and added value.

Program highlights:

- *Weekly laundry & linen service with pickup and delivery*
- *Save 80–100 hours per school year*
- *Unlimited dry cleaning available on select plans*
- *Cleaned in a sanitary, eco-friendly facility using non-toxic solutions*
- *Promotes responsibility, confidence, and well-being*
- *Trusted by families for over 100 years*

Give your student the structure, support, and peace of mind they need to succeed.

Warm regards,

Rick Botnick
