2026-2027 Volunteer Application

The Vance County Board of Education (the "board") recognizes the valuable contributions that school volunteers make to the learning process and the educational goals of the school system. Instructional programs are enhanced through the contributions of students' parents, community members, and local business and industry. These volunteers contribute time, resources, and expertise that assist the school system to reach the goal of providing a sound basic education to all children. All school volunteers are expected to be professional and dependable in their volunteer activities. To access Policy 5020, please visit our website at www.vcs.k12.nc.us. Volunteer Code of Ethics:

As a volunteer, I realize that I am subject to a code of ethics, similar to that which binds the professional. I expect to be accountable for these responsibilities. I will not discuss school matters outside of school.

As a volunteer, I agree to serve without pay, but with the same high standards as the paid staff in doing their work.

I believe that my attitude toward volunteer work should be professional. I believe that I have an obligation to my work, to those who direct it, to my colleagues, to those for whom it is done and to the community.

Being eager to contribute all that I can to human betterment, I accept this code for volunteering as my code, to be followed carefully and cheerfully.

***If approved to volunteer, you will be required to have an official volunteer badge. You must wear the official VCS volunteer badge when volunteering. You will be contacted by the Communications Department on the status of your application and when you can pick up your volunteer badge.**
